BECKY KILLER 'HAD SEX WITH DEAD BODIES'

Sicko used morgue job for vile acts

EXCLUSIVE

BECKY Watts killer Nathan Matthews told friends he had sex with corpses when he had a job that gave him access to a morgue, a former friend has revealed.

Data Bill will cost us fortune

BROADBAND bills will go up to pay for the "massive cost" of implementing Theresa May's Communications Data Bill, MPs have been warned.

Internet companies told a committee of MPs that storing every person's internet history for a year is likely to cost them far more than the £175m the government has budgeted for.

But experts say it's a fraction of what the true cost will be.

Matthew Hare, chief executive of internet service provider Gigaclear told the Commons science and technology committee the amount of data they would need to store is phenomenal.

He said: "The indiscriminate collection of mass data is going to have a massive cost."

Home Secretary May (*above*) says the information is essential to allow police and security services to operate in the digital age.

4 arrested in 'jihad' raids

FOUR men have been arrested in the UK after a counter-terrorism raid led by the Italians.

The North East Counter Terrorism Unit was assisted by officers from Humberside, Derbyshire, South Yorkshire and the West Midlands.

The arrests are part of an operation relating to alleged terrorism offences under Italian legislation.

The men were part of raids in several European countries connected to a "jihadist network".

They will appear before Westminster Magistrates.

BODY PARTS 'BLOCKED KILLER'S TOILET'

ON TRAIL: Ex butcher May *(right)* denies the murder of Tracey Woodford (*below*)

Butcher used trade skills to chop up victim

A FORMER butcher chopped up a woman after he met her on a night out and blocked his toilet when he tried to flush her body parts down the loo, a court heard.

Christopher May, 50, is accused of dismembering Tracey Woodford, 47, using "knowledge and expertise" from his job in a butcher's shop.

May is alleged to have strangled Tracey in his flat just hours after meeting her for the first time in his local pub.

He then had sex with her corpe. Forensic pathologist Dr Derek James told how he found her arms and legs in the bath and her rib cage in a black Adidas holdall when he visited May's flat.

Dr James said: "When I entered the flat I could smell bleach and decomposition. I could see bottles of liquid that had been left out.

"As I opened the bathroom cupboard I found an untidy distorted assortment of tools and boxes.

"We found a plastic bag, a black Adidas bag and a woman's handbag in the bedroom.

"When it was opened I found a black plastic bag with something wrapped inside it.

"When I opened it I found part of a human rib cage."

Dr James told the court that he also found the end of a right thumb stuffed into a woman's purse, which had Tracey Woodford's bank cards inside.

The court was told that four fingers had also been stashed inside her handbag.

By COLIN HURST
news@sundaysport.co.uk

Dr James also found a plastic bag containing yellow gloves and a blood-stained towel, the court was told.

He added: "There was a removal of the head and the right and left arm. A splitting of the torso into upper and lower sections and the separation of the right and left legs.

"An attempt had been made to dis-articulate the knee from the right leg, but it was still attached."

He told the court that her head had been found "well preserved" on a ledge 450ft deep into a pitch black drain pipe next to Pontypridd rugby club.

Dr James said: "The head was well-preserved. It was the head of a white-skinned woman with ginger hair."

May is said to have tried to flush Tracey Woodford's organs down the toilet and a body part was found to be blocking it.

Dr James told the court that a 10cm piece of bowel was found "obstructing" a drainpipe.

He said: "Police informed me that a rod camera had been placed down the drains to see what was there and there was obstruction in part and that had been recovered.

"It looked like human bowel with faeces in it.

"On the deceased's body there was a slash mark from the breast down to the groin.

"This had clearly been made while the torso was intact. It might have been used to take the bowel out."

Dr James told the court Miss Woodford's death was the result of "significant pressure to the neck" adding: "I would expect the perpetrator to have some experiment of cutting up bodies – either human or animal."

May, of Graig, Pontypridd, denies murder.

The trial continues.

Wolverine murderer said sorry in blood

WOLVERINE killer Jed Allen wrote "I'm sorry" in blood on his bedroom wall after knifing his mum, stepdad and six-year-old sister to death, an inquest heard.

The *X-Men* obsessed misfit, 21, also sent a chilling text to friends after butchering his family with a hunting knife.

He said: "I haven't got much time, they know. I am nothing more than worthless. I did what I had to do. I'm in peace now."

Groundskeeper Allen hanged himself in woodland near Oxford after the bloodbath at his family home in Didcot on May 23.

His mother Janet Jordon, 48, her partner Philip Howard, 44, and Jed's half-sister Derin died of "unsurvivable" multiple stab wounds.

The victims had wounds consistent with a struggle, the inquest heard.

The grim apology was found written in blood on Allen's bedroom wall, while a blood-splattered notebook in the kitchen read: "I know the truth. I don't want it for my family. This is the end."

The murders were discovered when Allen sent a text to friends asking them look after his pet dog Tetley, the hearing was told.

Pal Lewis Haycroft said he raced to his home in Vicarage Road, peered through a window and saw a man's legs on the floor. He entered through the ear door and found "blood everywhere".

Police launched a huge manhunt to find the killer and searched the Univeristy Parks in Oxford, where Allen worked as a gardener.

He was found hanging from a tree two days later.

Oxfordshire coroner Darren Salter recorded unlawful killing verdicts for Mr Howard, Ms Jordon and Derin, and ruled Allen killed himself.

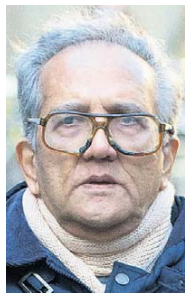
CULT LEADER 'FORCED SEX ACTS'



A LEFT-wing cult leader raped and sexually abused women he had manipulated, a court heard.

It is claimed Aravindan Balakrishnan physically and sexually abused some of the women who lived within the south London commune over a period of some 30 years.

The 75-year-old denies 16 charges including rape, indecent assault, actual bodily harm, cruelty to a person under 16 and false imprisonment.

On the second day of the trial at Southwark Crown Court, prosecutor Rosina Cottage said the defendant controlled all aspects of his daughter's life from birth and she was hidden from the world.

She was not allowed to go to school, make friends, go to a doctor or a dentist, the court heard.

Two women who claim they were part of the cult before managing to escape accused Balakrishnan of beating them, rape and sexual assault.

Ms Cottage said: "They were forced into sexual acts over which they had no choice and which were deliberately degrading and humiliating."

The trial continues.

J-Law is going bonkers over bonking drought

SEX-starved Jennifer Lawrence admitted it's been so long since she got down and dirty her "hymen is growing back".

The busty *Hunger Games* star is one of the most desirable actresses in Hollywood.

But despite her sexy image the 25-year-old, who became the highest paid female movie star in the world after pocketing £34million, revealed her Los Angeles master suite has seen no action since she moved in.

Speaking from her bedroom, she said: "Literally zero magic has happened in here.

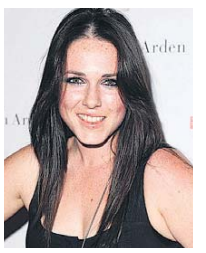
"Cheers to my hymen growing back."

Kentucky-born Lawrence dated Coldplay frontman Chris Martin, but the pair split earlier this year.

And she revealed she is now on the lookout for a bloke.

She added: "No one ever asks me out. I am lonely every Saturday night.

"Guys are so mean to me. I'm just a girl who wants you to be nice to me."



Sandi: Beeb can f**k off

SINGER Sandi Thom has sensationally told the BBC to 'fk themselves' after they refused to play her new song.**

The 34-year-old (*above*) uploaded the rant to Facebook, following the broadcasting company's decision not to give her any air time on Radio 2.

She said: "I am done with this industry. I am fking sick and tired of having to wait for these people to come back and tell me their verdict of whether this song is going to be a success.**

"Honest to God, I'm fking sick to death of the bastards this industry pulls on people like me and I've had it.**

"Fk you Radio 2. F**k you Bauer network and f**k the lot of you."**

BECKY WATTS MURDER: PAL REVEALS KILLER'S

'He laughed and with dead bodies... he wasn't kidding'

VICTIM: Becky Watts (*left*) and Shauna Hoare (*right*)

TWISTED Becky Watts killer Nathan Matthews boasted about performing sex acts on DEAD BODIES, a friend revealed last night.

The depraved pervert, who was found guilty of murdering his 16-year-old stepsister, proudly revealed how he abused his position in the Territorial Army to gain access to CORPSES.

And when he was alone with the dead he would abuse their bodies for his sickening sexual pleasure.

His pal, who grew up with 28-year-old Nathan in Bristol, revealed that the porn-obsessed freak joked about his necrophilia tendencies as they shared a drink.

He said: "Nathan spent a bit of time in the TA and he loved the authority he thought that gave him.

Bullshitter

"He thought it made him powerful and he loved to show off about it.

"Most of the time we thought he was talking a load of crap. He was a bit of a bullshitter.

"Once he told us how he had access to a morgue when he was on duty.

By GARY DORAN
gary@sundaysport.co.uk

"He showed us a photo someone had taken of him in front of all the cabinets where they keep the dead bodies. He laughed about it, saying how much he loved being with the dead bodies.

"He even put the pic on Facebook!

"I told him he was a sick bastard, but then he fixed me a look and said, 'You don't know the half of it.'

"I laughed nervously and asked him what he meant.

"He said, 'Well, what do you think? Some of the women I've seen were pretty fit.'"

The friend, who wishes to remain anonymous, then confronted Nathan, saying: "I told him, 'Don't joke about stuff like that. It's disgusting'.

"He fixed his gaze on me and said, 'Who's joking? Their cold skin really turns me on'."

Nathan's mate assumed the vile pervert was joking and trying to make him feel uncomfortable.

He said: "Nathan was like that. He enjoyed making you feel ill at ease.

"It was like a power trip for him.

"He'd say shocking things and see how you reacted. If you got upset he got a kick out of it."

But after reading how Nathan and his 21-year-old girlfriend Shauna Hoare kidnapped and murdered Becky he is not so sure.

He revealed: "It was something so sickening and so disgusting that I dismissed it as a joke.

"Now I know what he did to his own stepsister I think he was deadly serious.

"I think he got off on confessing to me and not having me realise he was being serious."

Matthews, 28, is facing life in jail after being convicted at Bristol Crown Court of murdering Becky, whose body was cut up and hidden in a shed.

Hoare, 21, who was branded "calculating and cold-blooded" by police, was found guilty of manslaughter and trying to cover up the crime.

Becky's parents, Darren and Anjie Galsworthy, have described their lives as "hell on earth" since the teenager was murdered by her step-brother.

Devastated dad Darren said he believes sick killers Matthews and Hoare should face the death penalty.

He said: "There's only one way to pay for this sort of crime and that's by losing their own lives.

"It has been horrendous. I wouldn't put my worst enemy through it.

"I was so desperate to get her back… it was ripping my heart out.

"She was my youngest… the devastation and heartbreak is indescribable, I don't have the vocabulary.

"Nathan was so arrogant he thought he could get away with it.

"I loved him like my own son. I hate him now."

Speaking about the pair of killers, Darren added: "Clearly there's something psychologically wrong with them. I think they would have gone on to be the new Fred and Rose [West].

SPOTTED: Matthews on CCTV buying saw

"They were texting each other messages saying they had found other pretty girls."

Becky's aunt Sarah Broom said: "Hate is not a powerful enough word. Not even despise."

The victim's uncle Sam Galsworthy added of Matthews: "He'll never know the full damage of his actions. He's devastated so many lives."

Barbaric

After the trial, senior investigating officer Det Supt Mike Courtiour said of the murder: "It was just gruesome, horrific and despicable. What type of person does that? It's just a barbaric act.

"How Darren and Anjie have coped is a very difficult one for us to answer.

"They have conducted themselves with great dignity and composure, which is worthy of praise."

Darren split from Becky's mum Tanya Watts when the youngster was three.

He started dating Anjie and they moved in together.

But Matthews claimed he hated his "spoilt and selfish" step-sister because he thought she was given special treatment by the couple.

When she was battling anorexia he showed no sympathy, claiming she was just seeking attention.

And Becky told best friend Courtney Bicker, 17, she was terrified of Matthews after he made threats to kill her with a sledgehammer.

Courtney told police: "Becky told me a few times that Nathan would graphically describe how he would kill her.

"I suppose it was when they were alone together, but she said it was numerous occasions and it scared her.

"He's mentioned stuff about a sledgehammer once. They would just have a normal conversation and he'd bring up killing her."

Becky told a child psychologist she was frightened of Matthews.

He was in his early 20s when he started a relationship with Hoare, who had spent her childhood in and out of care. She was 14 or 15.

Their "twisted sexual desires" and "deep-seated hatred" of Becky ultimately led to her murder.

The couple now face trying to rebuild their marriage but coming to terms with what Anjie's son has done to Darren's daughter could be a struggle for the grieving dad.

Mr Justice Dingemans will pass sentence today (Friday).

Same lusts as evil Savile

DEPRAVED paedophile Jimmy Savile was exposed as a sick necrophiliac who had a fetish for having sex with corpses.

The former *Jim'll Fix It* presenter was outed as a prolific sexual abuser when an ITV documentary titled *Exposure: The Other Side of Jimmy Savile* aired in October 2012, just a year after his death.

Deceased

Police launched an investigation into historic claims of child sex abuse by Savile and set up Operation Yewtree when several people came forward after the show.

But it wasn't just children that Savile abused – former Radio 1 colleague Paul Gambaccini spoke out after the disgraced star's death claiming Savile was also a necrophiliac.

The scandal erupted after his death, aged 84, and revealed he abused his position at Leeds General Infirmary and Stoke Mandeville Hospital where he volunteered as a porter.

Savile used his position to gain access to the morgue and engaged in sexual activity with the deceased.

It was even claimed that staff at the hospital were aware of the allegations at the time, but they were covered up.

Savile was also found to have abused vulnerable children in hospital, schools and children's homes and more than 200 criminal reports were made to police after his death.

MUM WILL STAND BY HER SICKO SON

BECKY Watts's stepmother has insisted she still loves her killer son and will visit him in prison in a quest for answers.

Anjie Galsworthy described her porn-obsessed son Nathan Matthews as a monster after he was convicted of brutally murdering his 16-year-old stepsister.

Matthews' girlfriend, Shauna Hoare, was found guilty of manslaughter and trying to cover up the crime.

They will be sentenced today, along with Jaydene Parsons, 23, and Karl Demetrius, 30, who owned the shed where Becky's body parts were hidden. They admitted assisting an offender.

Mrs Galsworthy told ITV's *Good Morning Britain*: "I still love him, I just find it hard looking at the monster he's turned into.

"He's totally different from the child I brought up.

"I will ask him why this happened."

She and her husband Darren – Becky's father – trusted Matthews and Hoare and thought police had made a mistake when they accused the pair.

Mr Galsworthy said: "When they arrested them we said, 'You've got it wrong'.

"We trusted them and the betrayal hurts so much.

"We loved them – they were all our kids, even if they had different DNA. It didn't make no difference. We loved them, they were our family."

Becky suffered more than 40 injuries as she fought for her life in her bedroom on February 19.

Matthews said he acted alone and that he only meant to scare Becky – not kill her.

He later cut her body up in an effort to evade police, while members of both families searched for the missing schoolgirl.

Mr Galsworthy added: "I feel like an empty husk of a man now.

"I've let my daughter down because every dad should be able to fight for his family, but I wasn't given that choice… they made sure I wasn't given that choice."

Becky's father revealed that his home is "eerily quiet" without her, and said the teen and Matthews were "like brother and sister".

He added: "He was pretty good with her, to be honest.

"He used to take her around all the adventure playgrounds.

"Ironically her first clear word was 'Nathan'."

Becky's best friend, Courtney Bicker, described her pal as a "generous and very kind person" and a "funny girl" and said she has not come to terms with her death.

She added: "Some days it's like it's not real and other days it all just comes crashing down."

Milk Tray Man – stars battle it out

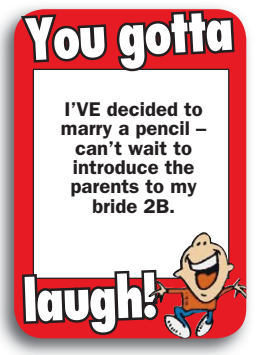
TV stars Joey Essex and Spencer Matthews are among the celebs battling it out to become the new Milk Tray Man.

They have joined Shaun Williamson and sports personalities Thom Evans, Robbie Savage and Denise Lewis in a bootcamp that will see them compete in challenges, such as mimicking the traditional Milk Tray Man pose.

James Coombes – the man who has held the role in the Cadbury's TV adverts since the 1980s – and his female counterpart, Kelly Brennan, will be putting the candidates through their paces and judging how well they fit into his characteristic black polo-neck top.

But James (*above*) is not giving away any clues about who might be worthy of the job. He said: "I had the job of scrutinising each applicant to see if they were the right fit.

"While it seems the candidates can all pose in character, and some could even take on adventurous stunts, I'm not sure we've found our winner."



Thieving postie escapes prison

A POSTMAN who stole more than 11,000 items of mail over 22 years has escaped a jail term.

John Hardingham, 61, who started taking post items in 1993, stashed the mail in his car and a shed at his home in Smallburgh, north Norfolk.

At Norwich Magistrates' Court Judge Peter Veits told Hardingham: "People have a right to hope their post will be delivered and not end up in a postman's garden. It is a serious breach of trust."

Hardingham, who started working for Royal Mail 35 years ago in North Walsham, Norfolk, admitted two theft charges.

He was handed a 40-week jail sentence, suspended for a year, and ordered him to do 100 hours unpaid work and pay £460 costs.

Pixie nip slip!

FORMER *Strictly Come Dancing* star Pixie Lott showed off more than she'd hoped – after one of her pert boobs almost popped out at a swanky red carpet bash.

The 24-year-old was attending the Cannes Film Festival when she made the braless blunder.

And the *Nasty* singer, from Bromley, south London, didn't seem to mind flashing the flesh as she posed with her right nip on show.

One onlooker said: "Pixie is worth a small fortune, so it's not like her to lose control of her assets.

"She's small up top, but perfectly formed!"

'SWAY YOUR BOOBS FOR ME'

Doctor's instruction to patient, tribunal hears

A FAMILY doctor conducted sexually charged consultations with patients over a 24-year period – forcing them to undergo needless breast examinations, a medical tribunal heard.

Dr John Swietochowski, 62, told one woman to take off her top and commented 'nice figure' before cupping her breast in his hand and staring into her eyes during treatment for heart palpitations, the panel was told.

He also allegedly asked the patient to raise her hands above her head at his Buckinghamshire practice and sway from side to side with her breasts exposed, for no clinical reason.

The married doctor who worked at the Marlow Medical Group Practice in Marlow, Bucks, was reported to the General Medical Council in 2013 after three women made allegations about his behaviour.

The hearing was told the first encounter occurred in Spring 1988 when one female patient went to see him to confirm a pregnancy.

The GP was said to have conducted a breast exam and without offering her a chaperone, positioned himself 'so close their knees were touching' before then asking her to raise her hands above her head and sway from side to side with her naked breasts exposed.

By COLIN HURST
news@sundaysport.co.uk

In 1993 the same woman began suffering from an illness which caused her to visit his surgery more regularly, but Dr Swietochowski asked if she was "visiting so often because she fancied him".

In another examination for breathing issues, it is alleged Dr Swietochowski asked her to remove her top and bra.

The tribunal heard she lay on the couch with her left breast exposed before he cupped it, looked 'straight into her eyes' and asked, "Am I embarrassing you?"

It is said the patient was frightened and paralysed with embarrassment, but in May 1994 she wrote a letter to the practice asking to move from Swietochowski's list to another doctor.

The hearing was told a second woman attended the surgery in 2004 with a skin complaint but said that Dr Swietochowski sat so close to her that he straddled her legs and in the course of the consultation placed his hand on the top of her legs.

Dr Swietochowski denies seven allegations of sexually motivated misconduct against the three women.

The hearing continues.

Killer stabbed cyclist 20 times in random attack

A MAN who killed a cyclist, stabbing him 20 times with a knife in a random and motiveless attack, has been sent to Broadmoor indefinitely.

Jason Voong, 29, repeatedly knifed Tom Rogers, 60, and five weeks earlier also attacked Leanne James, 24, hitting her over the head with a snooker cue.

Both random attacks – which Voong has never denied – took place on a cycle path 100 yards from the railway station in Swindon, Wiltshire, in May and June last year.

A jury at Bristol Crown Court had found Voong, who was diagnosed as having schizophrenia, guilty of Mr Rogers' manslaughter by reason of diminished responsibility and of wounding Miss James with intent to cause grievous bodily harm.

Voong, of Swindon, was acquitted of murder and attempted murder.

8YRS JAIL FOR FAKE WILLY SEX SCAM

CAGED: Gayle Newland

Woman tricked girlfriend into thinking she was a bloke

A LESBIAN who posed as a man on Facebook in order to trick her female friend into having sex, has been jailed.

Gayle Newland, 25, was sentenced to eight years in prison after being found guilty of three counts of sexual assault.

The marketing manager from Willaston, Cheshire, took on an alter-ego 'Kye Fortune' and disguised herself by flattening her breasts with tape, wearing a swimsuit to smooth down her curves and deepening her voice.

The former private schoolgirl persuaded the victim to wear a blindfold when together and they had sex 10 times until the complainant ripped off her mask and saw Newland was wearing a prosthetic penis.

Newland had to be physically carried down to the cells yesterday at Chester Crown Court as she wept uncontrollably when Judge Roger Dutton passed sentence.

He said the crime was so unusual he could depart from normal sentencing guidelines and described Newland as 'scheming', 'deceitful' and 'highly manipulative'.

By JESS GALLEY
jess@sundaysport.co.uk

Manipulative

The judge said: "You were so convincing in your cruel deception of the victim she thought she had finally found a man she could love and be with.

"You are an intelligent, obsessional, highly manipulative, deceitful, scheming and thoroughly determined woman."

In a statement read to the court yesterday the victim said Newland had 'poisoned her life' and took her 'youth and vitality.'

She said: "Not only have I had to delete all the friends I have made in Chester, apart from one, I feel like I can't visit that friend or the beautiful city again.

"Socially I feel trapped. Still living in this invisible prison Gayle has made."

FOOTIE supremo Cristiano Ronaldo proved he can score just as well off the pitch after bonking his way through this bevy of beauties.

The Real Madrid frontman has achieved many things in his illustrious playing career and has won pretty much every award going.

In addition to his fame and fortune, the multi-millionaire metrosexual has also scored with some of the world's sexiest women.

From socialites and actresses, to an array of models and top athletes, the 30-year-old star has proved he can achieve on every international level.

In more recent times, the dad-of-one calmed it following his five-year relationship with Russian stunna Irina Shayk.

But fresh from his split with the 29-year-old model, the Portuguese captain will hope to add to his collection of conquests.

Names on that list already include busty actress Gemma Atkinson, who Ronny hooked up with back when he was playing for Manchester United in 2007.

The three-time Ballon D'or winner went on to bed heiress Paris Hilton shortly after his record-breaking move to Real Madrid in 2009.

And way before rapper Kanye West was on the scene, he was rumoured to have tempted reality babe Kim Kardashian into bed.

The new film which documents all of the ins-and-outs of his life hit cinemas earlier this week.

Council boss pissed in street – after axing public loos!

A COUNCIL chief who helped axe every public toilet in his town has been fined by police – for URINATING in the street.

Labour councillor Jackie Burns, 51, was caught short just months after overseeing the closure of public loos in his area.

He was waiting in a taxi rank when he suddenly needed the toilet and went down a lane – where police saw him and gave him a £40 on the spot fine.

Mr Burns, who is deputy leader of South Lanarkshire council, had his wee problem in Hamilton, Scotland.

He said: "I am embarrassed by the incident and have apologised."

He added: "I was in a taxi rank at the Bottom Cross in Hamilton and needed the toilet.

"I went down a lane to relieve myself and was approached by police, who gave me a £40 fine which I have duly paid."

John Wilson, an MSP for Central Scotland, said: "I am disappointed by this behaviour. He should consider his position as deputy leader."

And from the looks of these saucy snaps, it would be hard to find someone sane enough to turn the busty brunette down.

She said: "Me and an ex were really drunk walking home and wanted to have sex.

"We couldn't wait till we got in so we decided to stop in a park and thought it would be a great place to do it there, so we had sex on a random table thing we found.

"It wasn't till afterwards we realised it was actually a tombstone! I felt so naughty."

WE SAY FAREWELL TO TELLY TEC WITH HOST OF SHOW'S FIT BABES TOPLESS!

By SAM WALKER samw@sundaysport.co.uk

OVER the last nine years telly detective Lewis has done his fair share of probing.

And these topless ladies certainly appear to enjoy a good grilling.

ITV'S favourite crime fighter, played by nerdy Kevin Whately, is hanging up his handcuffs.

So to celebrate the show, which had a regular audience of 5.2million, we've searched the archives to find his breast companions.

So feast your eyes on the hit show's top tits – including pert Helen Baxendale, former *Corrie* star Angela Griffin, Cherie Lunghi and sexy Gina McKee.

Saucy

The crime drama, which also featured actor Laurence Fox as Detective Sergeant James Hathaway, came to an end this week with a two-part special.

A source close to the series said: "Lewis built its reputation on gripping plot lines... and deep cleavage.

"And I think it's fair to say the show had both of those essential commodities in plentiful supply.

"If these saucy pictures are anything to go by, there certainly won't have been a dry eye, or tissue, in the house during the last show."

Black Cats goalie dies aged just 32

EX-Sunderland and Ipswich goalkeeper Marton Fulop has died at the age of 32.

The former Hungary international (*above*) had a tumour removed from his arm in 2013 but was cleared to continue his career.

He played 47 times for the Black Cats between 2006 and 2010 and last appeared for Town in 2011.

A Sunderland spokesman said: "It's desperately sad when we lose a Sunderland family member but to lose one so young in such circumstances is heartbreaking."

Fulop also played for Tottenham and West Brom and had loan spells at Chesterfield, Coventry, Leicester, Stoke and Man City.

Other teams to pay tribute included his Suffolk club Ipswich. A tweet from them read, "*Our thoughts are with Marton's friends and family at this immensely difficult time.*"

West Brom keeper Ben Foster, who trained alongside Fulop at the club, tweeted, "*Rest in Peace Marton Fulop, one of the good guys and taken way too early.*"

Stun gun trucker gets out of jail

A LORRY driver who claimed he bought a stun gun to protect himself from illegal immmigrants has been spared jail.

Norman Garrett, 52, told Ipswich Crown Court he bought the item – which doubled as torch and stun gun – for 20 euros from a Dutch driver.

He insisted its primary use was as a torch to thoroughly check his lorry for roadworthiness and illegal immigrants before driving from the continent to England to deliver produce to markets.

He stressed he would have only used the stun gun as a last resort.

Garrett was initially charged with a firearms-related offence and faced jail if found guilty.

But he was given a six-month prison term, suspended for two years, after admitting a lesser charge of possessing a prohibited weapon.

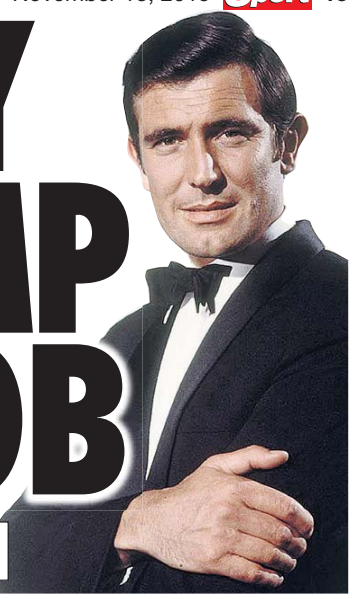
007 GEORGE: MY 3-SOME SEX ROMP GOT ME BOND JOB



PERFORMER: George Lazenby

Spy flick star bedded babe to scotch 'gay' rumours

SHAGGER George Lazenby revealed he auditioned for the part of 007 – by having a THREESOME.

The former male model said Bond producers made him endure a saucy hotel room romp to prove he wasn't gay before they offered him the role in 1969's *On Her Majesty's Secret Service*.

Australian-born Lazenby, now 76, passed with flying colours and went on to star in the flick, which includes a barn bonk scene with co-star Diana Rigg.

George only appeared in one Bond film before being replaced by Sean Connery, who returned to the series for *Diamonds Are Forever* in 1971.

By SAM WALKER
samw@sundaysport.co.uk

Lazenby said: "At the time a lot of male models were gay, so one day, while I was staying at the Grosvenor House Hotel, producer John Daly showed up at my door with a woman.

Watching

"She wanted to get down to it straight away, and at the time the most important thing to me was getting my rocks off, so I didn't have a problem with that.

"John was sitting next to the bed in his suit and tie watching us having sex.

"Afterwards, they left and I didn't think about it again until a few years later when I bumped into John in LA, and he said, 'They wanted to find out if you were gay or not to see if you could make a convincing Bond'."

"He must have given me a good report because I didn't get fired!"

The movie follows Bond as he sets out to uncover a plot by criminal organisation Spectre, led by Blofeld (Telly Savalas), to take over the world by hypnotising models to spread deadly bacteria.

Lazenby was the first Bond to do his own stunts, but he revealed his action was not just limited to the big screen.

He added: "'One girl I hadn't been with was an actress on set called Julie Ege.

"One time I was making love in my room and Julie was banging on the wall saying, 'Shut up, you're making me horny!'"

Sam likes it hot!

GRINNING Sam Faiers gives male fans something to smile about when she stripped down for this topless snap.

The busty blonde walked away from reality ITVbe show *TOWIE* last year.

But here she is showing off her pair of ratings winners in tiny frilly panties.

And we think you'll agree that the show his certainly less gripping without her.

A source said: "Sam was a favourite among fans because of her large personality.

"Though her perfect rack might have had something to do with it as well."

Man United post record profit result

FOOTIE giants Manchester United have revealed their financial results for the first quarter of the year – and revenue is up 40% on 12 months ago.

Net debt now stands at £286.2million, which constitutes a rise of 5% (or £14.3m), while the club made a profit of £5m (down 44%).

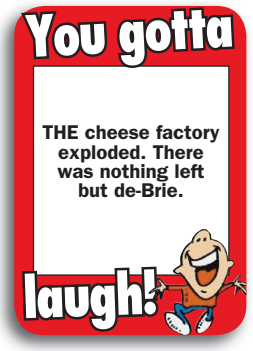
The club posted a record revenue of £123.6m – this time last year that figure was £88.7m.

Commercial revenue stands at £71.2m (up 25% on 2014), while broadcast revenue is £27.6m (up 64%) and their matchday revenue is now £24.8m (up 64%).

Adjusted for EBITDA (earnings before interest, tax, depreciation and amortisation), revenue stands at £41.6m (up 105%).

Speaking about the results, United's vice chairman Ed Woodward said: "Our record first quarter revenues and EBITDA demonstrate the continued strength of our businesses."

The financial results also revealed that there will be a cash dividend paid to shareholders on January 7, 2016.



Sinkhole shock for residents

POLICE were yesterday called after a huge sinkhole – measuring 20ft across – opened up in a residential street.

Officers attended and placed a cordon around the area in Coxlodge, Gosforth, and said nobody was injured.

Shocked resident Leah O'Malley, 20, said: "When I came out of my flat this morning, the ground was fine but there was a lady here who was worried about the state of it.

"I went inside and came back out later to find that the huge hole had appeared.

"A fire engine and police officers turned up and this lady was shaking. She said she was worried about falling into the hole.

"We are all wondering why this has happened."

THAT'S JOLIE RUDE!

Angelina reveals golden shower secret

SAUCY Angelina Jolie revealed hubby Brad Pitt treated her to a GOLDEN SHOWER as they prepared for their new film.

Angelina made the filthy admission that the *World War Z* star "pissed all over her shoes" as they struggled to get into the mindset of a couple who hated each other for their latest roles.

The A-list couple star alongside each other in upcoming flick *By The Sea* – which was written and directed by the 40-year-old *Lara Croft: Tomb Raider* babe. It will be the first time the pair have made a movie together since they met on the set of *Mr & Mrs Smith* in 2005.

By JESS GALLEY
jess@sundaysport.co.uk

And mother-to-six kids Angelina revealed they used some slightly unconventional methods to prepare for the challenging task.

She said: "Brad and I had this one day when we were like, 'Let's just do ridiculous things and see what happens'.

"By the end of it, he had pissed all over my shoes, I had packed up the entire hotel room to leave, and he wrote 'pillhead' with an arrow on my head with a Sharpie while I was sleeping."

The film follows former dancer Vanessa and her American husband Roland as they travel around France together in the mid-1970's in a bid to save their troubled marriage.

Angelina said the love scenes for *By The Sea* were a lot different to *Mr & Mrs Smith*, adding: "It's the strangest thing in the world to be lying naked in a bathtub with an iPad that's showing you the shot outside, while your husband is at the door and you're directing him to come in and make love to you."

Jailed Rolf treated on Ebola ward

JAILED entertainer Rolf Harris has been treated in a hospital ward used for Ebola patients.

The convicted paedophile was taken to Royal Stoke University Hospital from his cell at nearby Stafford prison.

Last year the 85-year-old was caged for five years and nine months for 12 indecent assaults on four girls.

He will not be eligible for parole until 2017.

In his prime the Aussie was a regular on TV, presenting kids' shows like *Animal Hospital* and *Cartoon Time* and also making hit records like *Tie Me Kangaroo Down Sport*.

Last night it was not clear what Harris was being treated for but sources say he was sneaked in through a side door and kept in a secure room in the infectious disease unit.

A source said: "Where he was treated is more cut off from the outside world because it is equipped to take the most infectious cases – such as Ebola."

You gotta laugh!

A MAN goes into a library and asks for a book on suicide. The librarian says; "F**k off, you won't bring it back."

Rookie cops collared in drugs tests

MORE than 30 rookie police officers in London tested positive for COCAINE in the past 21 months, it was revealed yesterday.

A Freedom of Information request to the Met Police found that 72 trainee cops failed a drugs test from January 2014 until September this year.

Of the 72 rookies tested, 31 tested positive for cocaine, eight for amphetamines, 18 for cannabis and 15 for opiates.

Bosses at the Met Police said that a total of 7,972 new recruits were tested during the same period.

It is believed that all rookie cops who tested positive for drugs are no longer working for the force.

SILVER'S BOOBS ARE PURE GOLD!

PAIR OF ACES: Sarah's assets go on display

Movie babe Sarah naked in new film

SHE is known for her funny stand-up comedy . . . but Sarah Silverman's NORKS will also leave you with a big grin on your face.

The US comic has whipped her boobs out for her latest serious acting role in *I Smile Back*, which debuted at the Sundance Film Festival earlier this year.

Sarah, who is currently dating Welsh actor Michael Sheen, isn't one to shy away from flashing her impressive cleavage in daring red carpet outfits.

By JESS GALLEY
jess@sundaysport.co.uk

But the sexy 44-year-old has recently swapped stand-up for the silver screen, starring as cocaine-addled wife and mother Laney.

The film follows Laney as she battles her addiction and continues to make one bad decision after another while her husband and two young kids suffer.

But despite the gloomy storyline, Silverman ditches her clothes and treats viewers to a glimpse of her ample chest, wearing just a pair of skimpy knickers.

And you can see these boobs for yourself in the comfort of your own home, as the flick was released on DVD and made available on Netflix this week.

Brad rides in as bike sales slump

BRITAIN'S bike boom is over, according to figures from cycle shop Halfords after a "disappointing" summer.

The firm had seen sales soar since Sir Bradley Wiggins won the Tour de France in 2012, which sparked a huge rise in middle aged men squeezing themselves into lycra and hitting the roads on expensive bikes.

But now it looks like the boom may be over as bike sales were down by 11 per cent between July and August this year.

Now the firm has commissioned Wiggins (*above*) to launch a range of children's bikes as part of a drive to get more kids into cycling.

He said: "I wanted to develop a range of bikes for kids of all ages and all abilities to jump on and feel like a Tour de France winner.

"You don't have to super-fit or kitted out in lycra."

Shares in Halfords dived by nine per cent as analysts said the group had effectively cut forecasts for the new financial.

Unkempt pubes 'more attractive'

KEEPING wayward pubes makes you SEXIER, new research reveals.

Boffins have discovered that an unkempt bush traps pheromones, stimulating sex scents and making you more attractive.

The study, which involved both men and women, also showed that there is evidence that pubic hair also works as a barrier against bacteria by reducing sweat, and can also help protect you against nasty Sexually Transmitted Infections.

Brigette Bard, CEO of BioSure UK, said that a trend in trimmed pubes has led to a spike in infections caught through open wounds caused by shaving and waxing.

She said: "There's been a rise in the number of genital lacerations over the past few years, so if you are still going to shave – be careful."

Selena shows off... a lot!

DISNEY sweetheart Selena Gomez is all grown up as she flaunts some serious cleavage in this daring dress.

The former child star gave stunning Victoria's Secret models a run for their money this week when she stepped out to perform on the runway in the low-cut frock.

Justin Bieber's ex, 23, showed him what he's missing and looked sizzling in the plunging black number which flashed plenty of flesh.

JIZZ WHAT THE DOCTOR ORDERED!

COME SHOT! Tracy loves it all over her face

Top beauty blogger uses SPUNK as face cream

By SAM WALKER
samw@sundaysport.co.uk

A SAUCY model has revealed her secret to youthful looks – rubbing fresh JIZZ on her face.

Kinky Tracy Kiss, 28, posted a video online of her bizarre cock juice beauty regime, which she claims is a great moisturiser for sensitive skin.

The mum-of-two says she lets the man milk "soak in" for 20 minutes before washing it off with warm water.

And because she's single, Tracy gets fresh deliveries from a male pal EVERY DAY.

The stunning blonde said: "People are concerned by the thought of putting semen on their face, but it's a very natural and healthy thing to do.

Sucks

"I know there are no added chemicals. It's as natural and active and live as you could possibly get.

"'I would put it in comparison to when you have chewing gum in your mouth and you breathe in – it's a cold, cooling, refreshing feeling

"It just sucks into the skin. It's absolutely beautiful."

Tracy, from the market town of Wendover, Buckinghamshire, said she started using the treatment after being diagnosed with skin condition rosacea, which left her with dry blotchy patches.

She claims that because the sperm contains zinc, magnesium, calcium, potassium and fructose, it makes the perfect face cream.

The video of her giving a demo on how to apply the white stuff has had 70,000 hits on her YouTube channel.

She added: "I began researching the use of semen as a facial ingredient.

"I found that many experts had confirmed its benefits.

"Semen builds babies and they come out very soft and have beautiful skin.

"It leaves my skin nice and soft, so I'm very happy to use this as a facial."

Britney 'stole my sex noises'

A MAN who claimed that Britney Spears stole sex noises from him has dropped his law suit.

Kirk Rothum lodged court papers against Sony Music accusing them of lifting "uhhs" and "oh yeah" sounds for the singer's hit single *Piece of Me* from his sound sample library *bangin-beats.com*

Now Kirk has said he has had to stop the claim due to the raising expense of legal costs, though he still says the grunts were his.

Show horror as nail stunt goes wrong

AN illusionist impaled himself with a six-inch nail after a Russian roulette-style trick went horribly wrong.

Kyle Wallace's stunt involved slamming his hand down on a table where an upright nail was hidden.

Kyle, 55, (*above*) had placed the nail – poking through a chunk of wood – into a bag during his show at the Arch 1 theatre in West Ham, east London.

He had also filled two other bags with items of a similar size before asking the audience to choose which one he should slam his hand down on.

The idea was for him to miss the concealed bag with the spike but on this occasion the trick went south, and left the nail sticking out of his palm.

Despite being in agony, he posed for selfies before being taken to hospital.

He said: "There was no blood because the nail sealed the wound.

"It was a nightmare. One guy at the front even burst into tears. I told everyone to get their phones out so they could take a pic."

You gotta laugh!

I BOUGHT a new deodorant stick. The instructions said remove the wrapper and push up bottom. I can hardly walk but when I fart the room smells lovely!

Nail-through-balls protest artist jailed

AN artist who nailed his genitals to the pavement in Moscow's Red Square two years ago has been jailed for 30 days.

Pyrotr Pavlensky, 31, will be detained until December 8 after prosecutors warned he could flee the country, compromise witnesses or reoffend.

He set fire to the doors of the Federal Security Service of the Russian Federation on Monday as a performance art piece.

If convicted on vandalism charges Pavlensky faces up to three years in prison.

His lawyer had asked for the artist to be placed under house arrest with a bail of one million roubles (£10,000).

In November 2013 he nailed his scrotum to the pavement outside the Lenin Mausoleum in protest at the "police state" in his country.

Real-life Sex Lives

THIS WEEK: CHUBBY CHASER PETRA LIKES HER MAN MEAT SUPER SIZED

By CLAUDIA TANNER
news@sundaysport.co.uk

I'm addicted to sex... with fat blokes!

WE PAY UP TO £500 FOR YOUR REAL-LIFE STORY!

PETITE Petra Simmons likes a BIG BOY in the bedroom – but not when it comes to penis size!

The toned 31-year-old enjoys romping with morbidly overweight men...with small cocks!

And the full-time singer has revealed she will only sleep with men who weigh more than 30 stone.

If a bloke is not bulging over at the waistband, she said she just can't get her kicks.

So Petra, from Didsbury, Manchester, scours specialist websites to get her fix of fattie love.

Today she tells *Weekend Sport* why sex with obese men floats her boat.

'I'VE always liked a man with a bit of meat on him –scrawny or skinny blokes have never done it for me.

My first ever proper boyfriend, Will, was a big guy and tipped the scales at around 20 stone.

But I didn't mind as he was so cuddly and warm.

My next fella was extremely overweight, too, and that's when I realised that I liked obese guys.

I don't know why, but I just love being with a really fat guy in the bedroom. I like them to have really, really small willies, too – two or three inches is ideal!

I love going to give a man a blowjob and having to search for his cock, lifting all the folds of his flab to get to it.

I'm so turned on when they look like cocktail sausages!

I also get really turned on by hearing all the fat bang against me while he's doing me doggy style from behind.

I'm not sure why I am the way I am. I'm not a feeder who encourages the men to get bigger and bigger as that feels manipulative to me.

But I certainly don't encourage them to go on a diet! The men are so pleased that I accept them exactly the way they are. So they are so eager to please me in the bedroom.

And maybe that's the thrill for me – that I'm with a guy who's so grateful for getting it on with me.

I suppose that it's kind of humiliating for the men that their penises are so small. I love to shout at them, 'Oooh, where is that tiny cock? I can't even see it!'

And my all-time favourite is, 'Is it in yet?' when the bloke penetrates me!

Because I like men that really are morbidly obese, I search for them on websites catering for lovers of big men and women...there's so many massive men out there.

I met a man called Eddie through online dating who weighed 32 stone. He wasn't able to work or go out because he's so big – so he loved me coming round to his.

I teased him for ages and ages before we had sex. I wore skin tight, revealing outfits and bent over in short skirts. He hasn't been intimate with anyone for many years and was clearly gagging for it.

I suppose it's a power trip for me as he so desperately wanted sex with me.

His cock was just three inches long and when I finally did let him get down and dirty he came within a minute!

I'm always in control because with a man that big I tend to have to be on top – otherwise I'd get smothered!

I did once sleep with a huge guy who got carried away and got on top of me. I felt myself suffocating – he really could have killed me. So that was an instant dumping offence.

But in the end I get bored with them anyway and I'm ready to move on.

If a regular-sized guy asked me out its an instant no from me, I'm afraid.

I like my meat super sized! My ideal man is the fattest man in the world, who at one point weighed 70 stone!

But then he went and lost 46 stone. Weight loss is a deal breaker for me.

The only downside to dating fatties is people do stare at me and my date when we've gone out, if the bloke can leave the house. But I don't really care what other people think.

Except one time when my fella got stuck in a cinema seat! But if anything his humiliation turned me on.

I was caressing his groin area and we were both getting aroused until a member of staff came to help, then we had to stop it!

So when it comes to lovers, if you're not willing to pile on the pounds, jog on, dickhead!'

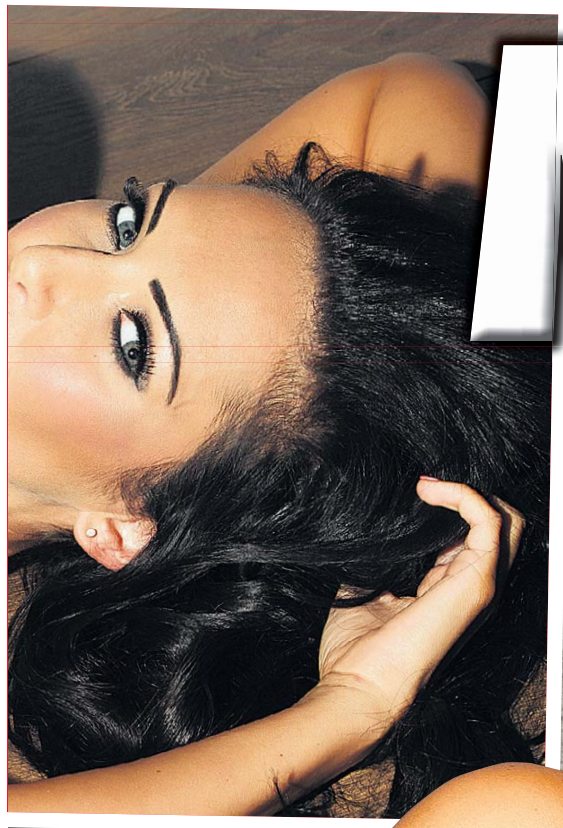
MORRELL



KINKY Zoe Morrell has revealed the next thing on her to-do list is a saucy threesome...with TWO men.

The naughty 28-year-old revealed that while she has already ticked off a three-way with a fella and another woman she is still GAGGING to be dominated by a pair of hunks in bed.

And Zoe, from St Albans, Herts, said her perfect lovers would have to be tall and strapping – so they could throw her around between the sheets!

The 30F stunna said: "My only other threesome was with another girl and a guy.

By JESS GALLEY
jess@sundaysport.co.uk

"It was so horny, but I've never had a three-way with two guys, so perhaps that's next on my hanky-panky to-do list!

"In the past, when I've had a few too many drinks, I've got carried away with girls.

"It's always been exciting to experiment and girls have an intuitive understanding of how to please another woman.

"I went through a phase of being a little bi-curious, but ultimately I came to realise I much prefer COCKS!"

Dakota: I can't wait to break film lover

HOLLYWOOD babe Dakota Johnson says she is gagging to play Anastasia Steele again in the *Fifty Shades of Grey* sequel – but NOT for the kinky sex.

She simulated graphic romps with co-star Jamie Dornan in the first flick.

And Dakota admits nothing is off limits when it comes to her acting.

The 26-year-old said she is more interested in how her character "breaks Christian Grey down" this time round, in *Fifty Shades Darker*.

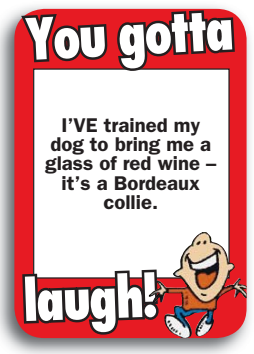
She said: "While reading the book, I found myself more interested in the ways the characters are breaking each other down emotionally than the sex scenes.

"I think there's part of a woman that wants to be a thing that breaks a man down."

She added: "I don't have a problem doing anything – my secret is I have no shame."

Dakota praised mum Melanie Griffith and gran Tippi Hedren for allowing her to express herself.

She said: "I want to thank you both for encouraging me and supporting me in all of my endeavours, excluding the time you let me cornrow my hair."



She's the breast thing on TV!

FUNDIES: Model Sammi Marsh had big boob fans frothing

BIG-BOOBED UNDIE MODEL TREBLES VIEWING FIGURES

A BUSTY underwear model sent ratings through the roof when she appeared on a shopping channel.

By JESS GALLEY
news@sundaysport.co.uk

The QVC show featured two pretty women showing off the latest designs in body control underwear – and has since had more than half a million views on YouTube.

The 10-minute footage shows the models wearing a variety of practical, high-waisted pants and figure-hugging vests.

But sweater-stretching model Sammi Marsh captured the audience's attention after her HUGE pointy nipples peeked through the control underwear.

The big-boobed stunna sent Twitter into a frenzy and had guys frantically channel hopping to see what all the fuss was about!

Horny viewers took to social media to champion the blonde scorcher and by the end of the segment the show's figures had trebled, thanks to the display.

Official figures show when the programme started only 50,000 people had tuned in to see what goods they could get their hands on without leaving their sofa.

Melons

But by the time the piece ended, more than 150,000 had tuned in to catch a glimpse of the model's eye-watering melons.

One Twitter user wrote: "Is QVC the new Babe Station?"

Another said: "F**king hell check out the tits on that model on QVC. I normally moan at the wife for making me watch it… but I might watch more often now!"

COUPLE DIE BONKING IN HOT TUB

She's squashed when he has heart attack

A HUSBAND and wife have both died while having sex in a hotel hot tub.

Charles Mckenzie, 67, and his 63-year-old wife Dorothy were found dead in the tub at the Playaca Palace hotel in Mexico.

The Canadian pair had travelled there for a holiday and their daughter's wedding.

But their getaway turned to tragedy, with authorities finding that Charles suffered a heart attack.

His wife Dorothy then died of "asphyxiation by submersion".

The couple, from Baddeck, Novia Scotia, were both found on Tuesday morning, just two days before their daughter was due to get married.

Speaking to Canadian reporters, Mr Mckenzie's brother-in-law Douglas Hastings said: "I know they're more concerned about the remains and cremation and things like that.

"I don't really know about the wedding."

Initially it was feared that they could have died following a hot tub malfunction, but that was quickly ruled out by hotel bosses.

A spokesman for the Playaca Palace hotel said: "The room was perfectly fine.

"All the equipment was working perfectly."

STEAMY: Pair were found dead in hotel room

Weekend Sport POSTER BABE

By SAM WALKER
samw@sundaysport.co.uk

SINGLE Emma Green admits she's like a wild animal in the bedroom – and needs a man who can tame her.

The horny 26-year-old says she's easy to please on a date, and will jump into bed after just a couple of pints.

But the 32E stunna claims that once she's between the sheets there's no telling what might happen.

Tiger

Emma, of Weybridge, Surrey, wasted no time in stripping off for these saucy snaps while revealing her sexy secrets.

She said: "I'm a tiger. I'm definitely a bit of a wild one.

"Let's just say I know what I'm doing and I've never had any complaints."

She added: "My ideal date is just a few drinks, spending time chatting and getting to know each other.

"A guy has to be a good kisser, and I like a man who has good teeth – oh, and a big dick!"

MOTORS WITH THE PURPLE HELMET

FORD MUSTANG 4.0
(2005, £9,000)

ANOTHER accolade for the Pony – this time from former Top Gear 'Stig' Ben Collins.

He's just named the Ford Mustang as the 'ultimate stunt car' in a new flick *Ben Collins: Stunt Driver*, which sees him putting a string of high performance vehicles through their paces.

He says: "Mustang has starred in many a classic car chase during the past 50 years, and is still the stunt driver's weapon of choice to leave the bad guys standing in a cloud of tyre smoke."

Of course, the all-new Ford Mustang is now on sale in the UK for the first time in more than 50 years.

If you can't afford that, this mid-2000s effort is a peach.

BMW 325CI
(2004, £4,995)

ONE word sums up this BMW 3 series – unbeatable. Because its' pretty much perfect in every way.

It's aggressive, sporty, reliable and economical and has pretty much been best in its class since the day it appeared on forecourts.

In convertible form it's also one of the best-looking canvas roofers out there.

There's not a huge amount of room in the back and the ride can be a tad stiff.

But handling and performance is superb and you'll honestly struggle to find a better car at this price. A no-brainer.

VAUXHALL SIGNUM 2.2
(2004, £900)

IT was supposed to be an 'executive saloon' when it first came out.

But the dull Vauxhall Signum never really caught on and is now something of a bargain in the used market.

The steep depreciation wasn't helped by some unreliable diesel engines either.

Stick to the 2.2 petrol mill and you should be laughing, though.

You'll also get around 35 miles to the gallon, which isn't awful.

Meanwhile there's loads of room in the rear and boot, making it a perfectly acceptable and very cheap load-lugger which once cost upwards of £20K.

Range Rover for softies

NEW CAR
RANGE ROVER EVOQUE CONVERTIBLE
(£47,500)

IF plastic banana-holders, hovershoes and automatic arse-wipers have taught us anything it's that just because you CAN invent something, it doesn't always mean that you should.

If someone were to come up with 'welly-flip-flops', you'd tip your hat to the lunatic who thought of it but probably never buy a pair.

And that's a bit like the new Ranger Rover Evoque Convertible – a Jekyll and Hyde affair that's f**king bonkers every way you look at it.

A Range Rover is supposed to be a rugged, outdoorsy, all-wheel-drive beast capable of dropping the sprogs off at school and then taking you to the top of Mount Everest.

Whacking a poncy soft-top on one is like sticking Bear Grylls in a tutu. But Range Rover generally know what they're doing. They know Evoques sell like hot-cakes among the Cheshire set.

They also know the vast majority of them see about as much danger as a High Street puddle, so in a way it makes perfect sense to la-di-da one with a drop top.

Capable

Range Rover describe it as the 'World's first luxury compact SUV convertible' and the 'most capable all-terrain vehicle in the world'.

And with a 'ski hatch' it's pretty clear who it's being made for.

There's a choice of petrol and diesel engines, the roof takes 18 seconds to go down and 21 to go back up. And there's a 'Roll-Over Protection Device' hidden in the rear bodywork that deploys two sturdy aluminium bars within 90milliseconds in the event of a cock-up.

It goes on sale in Spring next year, if you fancy one, yah.

TRIUMPH SPEED TRIPLE R
(£11,000)

BLOODY hell! Triumph has been busy. Last month they unveiled a raft of Bonnevilles – including the latest Thruxton – with all-new engines.

And now they've thrown the covers off two new 'Speed Triple' models, the 'S' and the 'R'.

It's the 'R' that most catches the eye. It's got a brand new 1050cc triple cylinder engine designed to increase torque throughout the rev range. There's also new tech, including riding modes, switchable ABS and switchable Traction Control.

Meanwhile fresh styling overhauls a bike that was starting to look a bit tired.

The 'R' is also about keeping weight down, so there's carbon fibre all over the shop, Ohlins suspension and a choice of two fancy paint jobs.

MOTO GUZZI 1200 SPORT
(2009, £2,500)

IT'S not instantly attractive, this bike, but the more you stare at it the more it grows on you.

And because it's so left-field you won't be parking next to one in a hurry.

The 1200cc engine isn't as feisty as you'd think but it makes a nice noise through the exhaust, and it's punchy enough.

The 1200 Sport is also comfy thanks to its generous proportions and seriously major heft – something that's sorely lacking on most modern machines.

And with a decent screen on the front it's also a motorway mile-muncher.

Is it a cruiser? Is it a roadster?

We're f**ked if we know. But it's ace, and cheap, and that's all that matters.

GAMES

It's a bit of Fall right!

***FALLOUT 4* (PS4, Xbox One) Bethseda**

THE huge *Fallout* franchise is back with one of the most anticipated games of the year.

As the sole survivor of Vault 111, you enter a world destroyed by nuclear war.

Every second is a fight for survival and every choice is yours in this apocalyptic experience.

Fallout 4 uses its dark world as a basis for exciting fights and gripping stories, as you dig deeper into its post-nuclear version of Boston.

Combat has a far greater punch than previous editions. Swinging a spiked bat to knock an enemy's head clean off is as satisfying as using VATs to gut-shot a Raider.

As with any open-world game some quests drag on, but this can all be livened up with a spot of the old ultra-violence.

The storylines are enough to keep you engaged but don't really shine as anything particularly impressive or out of the ordinary.

They're the typical go retrieve that, go shoot-up-the-bad-guy style of quests that you'd expect.

Players will definitely feel the improvements to gameplay on how the weapons handle. Movement also feels more in line with what you'd expect from a leading first-person shooter.

Companions also feel more worthwhile and are handy to keep around – that is until they blunder into an area you've been stalking, causing you to die in a hail of gunfire.

Where this game fails to shine is with its graphics, but even with its issues, *Fallout 4* is solid and has stuck to what it does best.

BOOKS With JON WISE

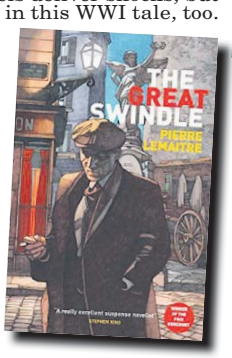
***THE GREAT SWINDLE* by Pierre Lemaitre (MacLehose) ★★★★★**

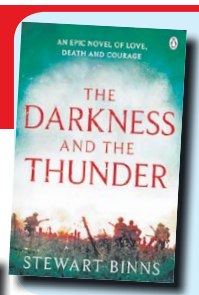
FOR a Frenchman Pierre Lemaitre can knock out great books. His crime novels deliver shocks, but there are some jolting ones in this WWI tale, too.

It kicks off in the trenches where a spectacularly evil officer has it in for a couple of soldiers who know of his dark deeds.

The pair survive the war, with disfigurements the reader won't forget in a hurry, and all three become central figures in crime in a world that thinks it's honouring its heroes while doling out despair.

You'll be horrified and angered, yet often amused at this clever look at war's aftermath.





***THE DARKNESS AND THE THUNDER* by Stewart Binns (Penguin) ★★★★**

HISTORY buff Binns continues his epic WWI tale following the fortunes of fictional characters and real-life ones through the hell of the trenches and the war-room battles.

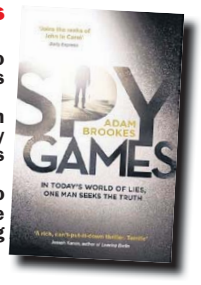
From the highest to the lowest, no-one's left out as his story reveals the sheer devastation and suffering the war inflicted on Brits. A bloody and fine read which feels accurate at all levels.

***SPY GAMES* by Adam Brookes (Sphere) ★★★★**

THE first-rate *Night Heron* introduced us to journalist Philip Mangan and his dealings with the spook set in China.

Flawed Phil seem to mind danger and in *Spy Games* he gets even closer to the shifty world of British intelligence as well as caught between two Chinese top nobs.

Approached by one with the offer of info into how the Chinese run their outfits, he eventually finds out there's no such thing as a free lunch in the espionage world.



DVD

MINIONS (U) ★★★★

STARTING as single-celled yellow organisms, Minions evolve through the ages serving the most hated masters, from T Rex to Napoleon.

Laugh-out-loud stuff in the vein of *Toy Story*, *Minions* is worth a watch either on your own after a few pints or on the couch with the wife and kids.

MISSION IMPOSSIBLE: ROGUE NATION (15) ★★★★★

TOM Cruise and his IMF agents find themselves being targeted by a shadowy organisation of highly-trained assassins known as the Syndicate.

You can hate and/or criticise Cruise as much as you like, but the man certainly knows how make a movie and thrill his audience.

ANT-MAN (12) ★★★

ARMED with the amazing ability to shrink in scale but increase in strength, master thief Scott Lang joins forces with a new mentor to protect the secret behind his Ant-Man suit.

It sounds daft but thanks to Paul Rudd (from *Anchorman*) this proved to be one of Marvel's more quirky hits at the box office.

ALBUM

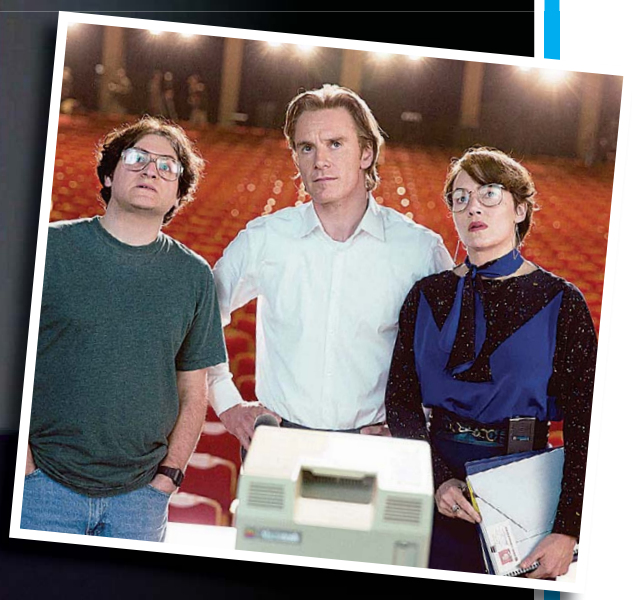
SPECTRE OFT H H H

SOUNDTRACK of new the Bond film, co-written by chart-topper Sam Smith, this perfectly encapsulates the troubled secret agent with its dark but luscious production.

The 26-tracker lives up to its hype and includes the hit movie's theme tune *Writing's on the Wall*.

MOVIES

JUST THE JOBS



IF you're one of those folk who think having an iPhone makes you a superior being to the rest of us, then look away now.

Because there is something particularly C**TISH about out and out Apple fanatics, who are basically the 21st century's equivalent of BMW drivers in the 1980s.

Yes, Apple products look nice. Yes, they work very well. But they also cost a bloody fortune in comparison to many non-Apple gadgets that essentially do exactly the same thing.

And the reason for that is largely because of the man who built, lost, then re-built Apple into the giant it now is – the largest company in the world – a bright, unforgiving, arrogant visionary called Steve Jobs.

Director Danny Boyle – who brought us *Trainspotting* and *Slumdog Millionaire* – was tasked to bring this to the big screen, and he's done a top job.

The film will probably divide Apple fans but for those of us who sit on the sidelines – yes, I have an iPad but not an iPhone – it's a fascinating insight into the life of one of the world's true game-changers.

STEVE JOBS
15 ★★★★

Compelling

Michael Fassbender pulls off a compelling performance portraying Jobs as a merciless perfectionist – chilly at best, cruel at worst.

"Do you want to try being reasonable? Just to see how it feels?" asks Joanna (Kate Winslet), the long-suffering "work wife" and confidante.

Scriptwriter Aaron Sorkin – he of *The West Wing* fame – later jumps ahead to the 1988 launch of the NeXT Computer, after Jobs was fired from Apple, and again to end on the 1998 iMac launch, after Jobs' triumphant return to the company.

Running parallel to his relentless professional rocketing upwards is his relationship with Lisa, the daughter he publicly disowned for years.

The movie is an arresting, razor-sharp piece of human drama that probes the slippery divide between persona and person – and will hopefully make iPhone users turn their arseholeness down a notch or two.

Not that I could care less – my Samsung Galaxy S6 Edge knocks the spots off all that fruity shite, anyway…

BREAST SCENES IN MOVIE HISTORY

STUNNING actress Bo Derek burst onto the scene in the movie *10*, as the object of Dudley Moore's desire (and every other man alive, quite frankly).

But in 1984 she went one better in *Bolero*, a film so bad that had it not featured Bo in the buff every few minutes or so then it would surely never have been made.

But made it was – and thank the heavens for that. For the sight of a TOTALLY NUDE Bo Derek clambering onto a non-saddled horse for a spot of genuine bareback riding was and remains a sight to behold.

Bo played a pupil from an exclusive English boarding school whose graduation present to herself was to pop her cherry while travelling in Saudi Arabia.

WHO hasn't wanted to stick it into a horny student babe? Some of you may have managed it, some of you lucky buggers might be getting it wet in one right now but, for most of us, it remains a fantasy!

Well, those good people at Killergram Studios are here to save the day!

College Babes Exposed 4 is a collection of some of the hottest UK porn babes in tight, ass-clinging jeans. These super-hot, sexy babes are eager to please as they work through the total "Killergram Hardcore Syllabus" just like a true teen-c*msl*t should!

Like a lot of undergrad girls they're hungover, hungry and on the lookout for a length of hard c*** and a hot meal to fulfill their needs before they stagger off to lectures.

Real-life, realistic hardcore for all you fans of swotty sluts!

Welcome to the world famous Sport Agony page! No other newspaper's Agony Aunts can offer the level of advice or experience than our own Agony Angels! This week Bailey has been reading your letters. Here's her advice, folks...

A

Dear Bailey,

I'M a female accountant and although I have a good job I have always fantasised about being paid to have sex.

And a couple of weeks ago I decided to make it a reality.

I'm 27, blonde, with a nice body and large boobs and for my night on the game I wore a leather mini-skirt and thigh-high boots.

I went to the red-light area of town and was only on the street a couple of minutes when a man in a Jaguar pulled up.

We agreed a £50 fee and he drove us to an empty car park, where he undid his pants and whipped out his massive cock.

After I'd sucked him off I was feeling pretty horny so I wanked his knob with my tits.

He was soon rock-hard again and boned me on the back seat.

I'm glad I tried the experience but am unsure if I should ever do it again. What do you think?

LF, West Yorks

Bailey says...

ONLY you know the answer to that one.

Dear Bailey,

ME and the missus were watching that old Marlon Brando film the other night on DVD, where he butters up his dong and slides it up some bird's arse.

Well, I fancied a bit of that and so I was straight in the fridge afterwards.

In fact, I was so turned on I stuck my knob straight in the tub of marge.

I almost came there and then but pulled myself back from the brink and gently guided my manhood up the wife's bum in the front room.

She moaned with pleasure and after a few quick strokes I shot off up her tight bumhole.

The next morning she brought me tea and toast in bed and I ate it the lot without thinking.

Then I remembered where my cock had been the night before and I felt physically sick.

Should I throw away the tub – there's still loads left in it?

TR, Hants

Bailey says...

NO, get your cock in it and delight the wife again.

Dear Bailey,

I'M a 21-year-old builder and me and some of the lads I work with on a site at the moment recently went to a brothel – it was my first time to be honest.

I ended up with a really fit hooker wearing a leather bra and knickers.

She took me to a dungeon-style room and whipped my bare arse until I had a raging hard-on.

I couldn't wait to get at her and when she released me I had the best shag ever.

She sucked my dick and licked my balls and then told me to tie her up and spank her before f**king her.

I squeezed her 34DDs as I pounded into her and after about fives minutes I shot my laod all over her face and boobs.

She absolutely loved it and gave me a nice slow blowjob afterwards – sucking me to hardness again before giving me a two-handed handjob – again letting me shoot my load on her melons.

The problem is I can't afford to go back as she charged £80 for the session.

What can I do?

Emergency service for horny lady drivers

Dear Bailey,

I AM a mechanic, who owns my own repair shop and one night I was just about to close up when a car pulled up outside.

I went to see what was going on, and couldn't believe my eyes when two fit women in skimpy outfits climbed out of the motor.

One was blonde, with massive boobs nearly bursting out of a skintight top. The other was dark-haired, with long legs and a nice, tight arse.

Needless to say, I nearly creamed my undies when I saw these two lovely ladies.

But I tried to be professional and asked what I could do to help them.

They said their car was making strange noises and they were worried it wouldn't get them home.

I said I'd fix it while they went for a drink in a local pub.

A couple of hours or so later, they came back and I had fixed the vehicle.

They were grateful and asked what they could do to thank me, all the while eyeing the bulge in my work trousers.

Before I could say anything, the blonde pulled down my pants and started to suck greedily on my nine-incher.

Throbbing

As she licked my throbbing gear-stick, the brunette pulled down her friend's denim skirt, slid her skimpy thong to one side and started to finger her chuff.

I nearly shot my molten man-fat there and then, but the blonde had other ideas.

She stopped her slobbering, turned around and pulled off her top to unleash her giant boobs, before her friend hungrily began licking and sucking on her nipples.

I moved behind the brunette and started driving my sex machine into her love-tunnel.

As I hammered away, she started flicking her tongue into the blonde's red-hot shaven quim.

They were both orgasming like a pair of right shag-happy babes and after 15 minutes of hard action, they swapped positions and I decided to plunge my glistening todger into the brunette's brown hole.

It was the best feeling ever, and I was shagging away like a champion.

I was desperate to climax and so pulled out my cock, before showering the girls with my love-lotion.

But as soon as I had finished, they mopped themselves up, got into their car and drove away without paying!

Do you think I should tell the police about the unsettled bill?

NS, north London

Bailey says...

NO. Find out where they live and see if you can persuade them to have another sex session.

Dear Bailey,

MY girlfriend is a hospital nurse and occasionally I get her to wear her uniform for role-playing before sex.

I greatly enjoy this and it always leads to a wonderfully horny session.

I've asked her to bring home a stethoscope and one of those torch things doctors use to look into your ears and up your bottom.

But she's said no because she fears the sack if she borrows the gear.

What do you say?

JC, Notts

Bailey says...

STICK to the uniform. If you fancy a bit of a change, why don't you wear it, instead?

Letter of the day

Night with missus at dirty movies

Dear Bailey,

MY wife insisted we see a new romantic movie that a pal had told her about.

I wasn't too keen but she said I'd enjoy it once I got there – and she was right!

She bought some popcorn and led me to the back row – it reminded me of the old days, when we were just dating, and we'd always enjoy a bit of a fumble on the back row.

After the movie had started she took my hand and slipped it up her short skirt.

She wasn't wearing any knickers and had been wearing her vibrating love-balls.

She was dripping wet and I soon got to work frigging her off.

Once she'd orgasmed she stuck her hand down my pants and started to wank me off.

Then she grabbed my hand and led me to the loos.

She pushed me to the floor, yanked up her skirt and roughly bobbed herself up and down on my cock.

She was like an animal as she pushed herself up and down on my shaft.

I didn't know what had come over her – but it felt amazing to be having such animalistic sex!

She later said it was the slushy movie that got her going.

Do you think this is normal?

FT, Merseyside

Bailey says...

YES – slushy films make me randy, too.

MUSIC by CARL EVANS

Freedom Wig by Ost & Kjex ★★★★★

ELECTRONIC duo Ost & Kjex have built a bit of a cult following in dance circles since they burst onto the scene in 2010.

These guys are like Norway's answer to Hot Chip and *Freedom Wig*, their third release, will definitely appeal to fans of Alexi Taylor and Co's lo-fi dance outfit.

Like Hot Chip, Ost & Kjex have a deconstructed approach to soulful ballads. Opening track *Honky Tonk* is as minimal as it gets from a music viewpoint but vocally and lyrically it's an expertly crafted tune. Elsewhere, *Le Mur De Pierre* (which Google Translate tells me means "Wall Stone") is a light and breezy slice of indie electronica which a great synth hook. There's plenty of evidence to back up Ost & Kjex's club credentials on here too. Tracks *Für Gurrik* and *Hush, Hush* are both very impressive all-out techno tunes.

No wonder the duo count the club night/record label Fabric as admirers.

Freedom Wig is a superbly put together album with a few tracks which are ideal for relaxing to and some that may well compel you to dance around your living room.

Nice mix of music.

It's not all grim up North!

Songs From The North I, II & III by Swallow The Sun ★★★★★

FINLAND'S Swallow The Sun have gone through a musical metamorphosis since their 2003 debut *The Morning Never Came*.

Six years on, their traditional death metal style has evolved to incorporate elements of progressive and folk music.

Their latest opus sees the band developing their style further still into the realms of the concept album.

Songs *From The North I, II & III* is, as the title would suggest, a three-disc offering – and it's huge. It encapsulates everything that's great about the Scandinavian metal scene.

***Part 1* offers a rich blend of dark acoustic melodies and full-on electric melancholic doom.**

***Rooms and Shadows* is my favourite track on this one. It's got an epic intro which combines chugging riffs with a cinematic solo. The rest of the track is a down-beat ballad that borders almost on power metal.**

***Part 2* is a collection of mainly acoustic numbers. There are some truly impressive compositions on here including the title track – a twisted duet with a feel of real tragedy.**

***Part 3* serves up more of a mixture of heavy and lighter stuff and contains one of *Songs Of The North's* heaviest tunes – *The Gathering Of Black Moths*, which has a sound that most resembles their earlier work. It's a stomping doom-laden track that drags along nicely like a slow-baking body in the desert! *Songs From The North* has something for every rock fan.**

The heaviness and melodic moments balance themselves very well to produce one of the most enjoyable listening experiences of 2015. What a way to round off the year!

YO SUCKA, LABEL ALERT!

TECHNO wiz Marshall Applewhite (AKA Detroit producer Joel Dunn) scored highly in the Music Column with his debut album *Leave Earth* last December.

Well... he's not been resting on his laurels.

This month sees the release of Applewhite's fantastic follow-up EP *Crunching/Cheddar Bae* and the debut release from his side project Acid Witch via Dunn's Yo Sucka label.

The *Crunching/Cheddar Bae Ep* is packed with the deep basslines and effected lo-fi beats we've come to expect from the 'sludge techno' pioneer.

Acid Witch's two-track release offers similar fare but with a darker feel.

Both will have your feet tapping and head nodding in contentment.

These releases represent old school Detroit techno at its finest. Minimal and direct.

They'll be available for download via the usual sources and on 7" vinyl.

Or, why not check out more from Yo Sucka by visiting their Bandcamp page @yosucka.bandcamp.com.

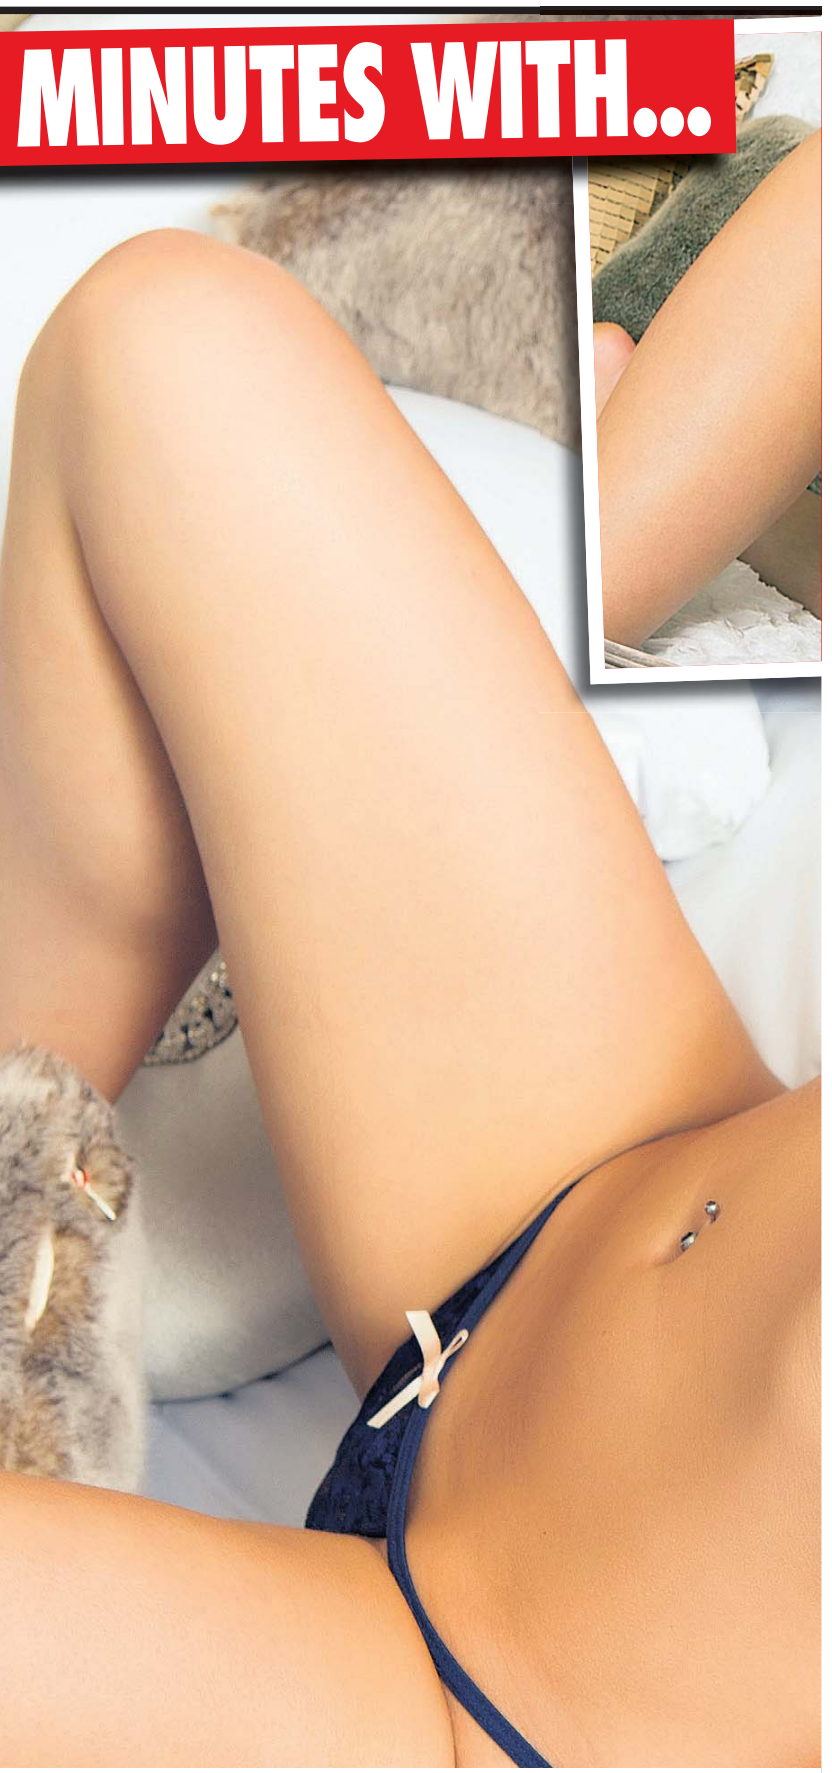
FIVE MINUTES WITH...



HORNY Holly Gibbons isn't the type to lie back and think of England when it comes to nookie.

The 32E glamour babe loves to take charge in the bedroom.

The busty 23-year-old, from Brighton, is no lazy lover and won't hesitate to straddle her fella and give him a good time.

Climax

And Holly revealed her favourite sexual position is the Reverse Cowgirl.

She told the *Weekend Sport*: "It totally works by hitting the right spot to climax.

"I think it's good for blokes too, mainly because it's a bit like doggy for them but they can lie down. It's lazy man's sex and they still get a delightful view of their girlfriend's bottom. My second fave is doggy style – it's totally animalistic and naughty!"

Today Holly also reveals her love of bum fun, porn and threesomes...

By CLAUDIA TANNER
news@sundaysport.co.uk

DO YOU TAKE THE INITIATIVE WHEN YOU FANCY A BLOKE?

Yes! I was out with the girls and talking about lads we used to fancy in college. I remembered this guy I was mates with and secretly had a massive crush on.

That night I went on Facebook and I found him.

We started chatting and said we'd meet up. I knew then I'd have him!

We met in a pub and he said he had always fancied the arse off me. After a lot of flirting we were so turned on we decided to get out of there.

We pulled the car over and ended up bonking on the back seat!

WHAT GETS YOU HOT IN THE BEDROOM?

Being blindfolded is fun because it heightens all your other senses. You can really feel every touch, tickle and breath on your body.

It drives me mad when my fella blindfolds me and then slowly kisses down my body. It's really frustrating but in a good way – I go crazy for him!

The thing I enjoy most is playing with sex toys, either on my own or with a fella.

My absolute fave is the Ann Summers Bullet. I cannot stress enough just how good that little badboy is.

I also love a cock ring too. It's great because it's not just a bloke using a toy on you, he gets enjoyment from it as well. You just pop it on his willy and you get the added fun from the vibrations and so does he – it's a winner for everyone.

WHERE IS THE CRAZIEST PLACE YOU'VE EVER HAD SEX?

In the sea on holiday, but it wasn't good at all. It was too salty and just not good.

It's hard to get the positioning right in the water, there's no grip and you can't thrust properly.

I also once did it in a fire station – that was pretty wild.

I was going out with a fireman and we did it in the office bent over the desk.

IS THERE ANYWHERE PUBLIC YOU'D LIKE TO GET FRISKY BUT HAVEN'T YET?

I've never done it on a plane before. That could be one to try if I'm being whisked away on a glam holiday.

Although the toilets look so small – it would have to be in first class!

WHO IS YOUR MALE CELEBRITY CRUSH?

Ooh, there's too many to choose from! Brad Pitt is so yummy, so is Johnny Depp.

WHAT ABOUT FEMALE CELEBRITY?

Megan Fox, without a shadow of a doubt. That woman is sex on legs.

SO HAVE YOU EVER GOT INTIMATE WITH A GIRL, OR WOULD YOU?

No I haven't. I've kissed a girl before but I've not gone any further.

Sometimes me and my girlfriends will have a cheeky kiss on a drunken night out but that's as far as it goes.

I think girls are beautiful and there's nothing better than a good-looking lady, but when it comes to sex I like men. It's guys all the way for me.

HOW ABOUT A MÉNAGE A TROIS?

No, I've never had a threesome. I would be really jealous if a boyfriend asked me to have one with him and another woman. But if it was a threesome with two blokes? That is something I might consider.

DO YOU LIKE ANAL SEX?

Yes! The trick is to take everything very, very, *very* slowly.

I like it when the man takes charge and tells me to sit in front of him on my heels, on a bed or a table.

Foreplay is really important – kissing, stroking my breasts and rubbing my clit. It's best to start off having vaginal sex.

Then I like the man to tell me what he's going to do next — starting with putting a finger in my arse, and then another.

The most important thing is to start slowly and slide in a little at a time, and you must remember to use plenty of lube.

SEX WITH A STRANGER OR WITH A BOYFRIEND?

I'm not really one for one-night stands – I'd say that sex in a relationship is better, you can tell them what you like and you are more comfortable with each other.

So I can lie there and shout "faster, harder, slower".

That's much more fun than fumbling around awkwardly.

DO YOU LIKE DRESSING UP IN THE BEDROOM?

I love wearing nice undies with stockings and suspenders.

Wearing stockings and suspenders always cheers me up – when

CHECK out more of Holly Gibbons at *www.digitalmagazines.xxx*

Holly GIBBONS

you wear them you just want to strip, don't you?

In the summer when it's really hot I walk around and clean the house in my expensive little underwear sets. And sometimes I go naked, too!

I'm always pottering around the garden with my boobs out. I'm not shy. But luckily my house is very private and secluded, so I don't get stunned ramblers walking past.

HOW DO YOU KEEP YOURSELF IN SUCH GOOD SHAPE?

I try to be healthy. And I practise on my pole every morning. It's a saucy way to keep fit.

DO YOU WATCH PORN?

Yeah, who doesn't? I watch it either on my own or with my boyfriend – it depends if I fancy a bit of solo time or not!

I don't really have a preference about what I watch. I'll watch pretty much anything as long as it's normal – I'm not into all that extreme stuff.

HAVE YOU EVER MADE A HOME MOVIE OF YOUR OWN?

No, I haven't actually. I've never really thought about doing it.

To be perfectly honest I'd rather get down to it and be lost in the moment than constantly thinking about which angle looks good on camera!

I like to enjoy myself and go wild in bed, I can't be bothered trying to use a camera too.

THE WINNING POST

MICK LIVESEY WITH HIS WEEKLY LOOK AT THE WORLD OF HORSES AND DOGS

FERGIE TIME: The trainer can pot a win with Penglai Pavilion

PEN HAS MIGHTY CHANCE

LUCKILY I write this piece and it's not audio because I nearly lost my voice shouting on Captain Midnight at Dundalk last Friday.

I made him the each-way punt and he was backed from 16/1 down to 8/1 but did the business.

The horse of the day ran well but finished second but in the evening the dog of the day bolted in for us at Romford.

I don't mind confessing I was a little worried to see what the reaction would be to me taking over this fantastic page from the legend John Francome but you guys have blown me away on social media with your kindness and support.

We have hit the ground running and this is a very exciting day of action so let's jump in there and find you the winners!

HORSE OF THE DAY: PENGLAI PAVILION (2.15 CHELTENHAM)

★He will be a short price but I had this fella pencilled in since the early declarations came out which included some tasty horses from the Willie Mullins yard.

Those entries have fallen away but I would still have been tipping this horse had they remained. He was a star on the Flat finishing fifth in the 2013 Prix De L'Arc De Triomphe behind superstar Treve.

He is such an exciting recruit to the hurdle scene and I am tipping PENGLAI PAVILION to go right to the top.

He passed tests at Hexham and Stratford with flying colours but last time out at Cheltenham for me he announced to the hurdle scene a new star was emerging.

Aidan Coleman held him up in fourth but when he pressed go this horse quickened up in some style to pull right away from Laurium and Sandymount Duke. That was his biggest test to date since moving over the timber and not only do I fancy him today but I expect him to score at the festival next year.

I decided to catch up with John Ferguson to get the low-down on this terrific horse.

He told me: "We won this race last year with Parlour Games and I think we stand an excellent chance of winning it again with Penglai Pavilion.

"This horse really thrived during the Summer and I was delighted with the way he did it last time at Cheltenham.

"He only lost 4kg and for a horse his size that was fantastic, it shows the race was not hard on him at all. Let's get today out of the way before we start planning for the future.

"The festival is five months away and lots of things can go wrong, I'd love to arrive at the festival with him spot on and if he is we will have a go."

EACH-WAY PUNT OF THE DAY: MON SUCCESSEUR (3.25 CHELTENHAM)

★Paul Nicholls looks to have another smart French recruit on his hands in Mon Sucesseur. The four-year-old hacked up in France for Guillaume Macaire over fences in May.

His debut run for Nicholls did little to dampen the enthusiasm when finishing runner-up at 4/5 behind Katachenko at Wetherby last month.

He certainly suggested there looks to be more to come in the coming weeks and it should pay dividends to side with him here. I fancy him to win this but at around the 8/1 mark he is a cracking each-way punt. I will be very disappointed if he failed to finish in the first four.

TODAY'S CHELTENHAM RACE BY RACE TIPS

1.05: French recruit La Vaticane sets a pretty high standard here back over fences but Sew On Target loves it at Cheltenham. He may prove the value at 10/1 and certainly looks to have each-way prospects at worse.

1.40: It is hard to make a case for any of these to beat Jonjo O'Neill's More Of That. He was turned over at 4/7 latest at Newbury but it would be fool hardy to hold that against him. I expect him to bounce back to winning form today.

2.15: Penglai Pavilion NAP (see horse of the day).

2.50: I am a huge fan of these cross country chases and I am hoping we will be cheering on Uncle Junior at around 8/1 to victory.

3.25: Mon Successor NB (see each-way punt of the day)

4.00: All eyes are immediately drawn to any ride Nina Carberry is booked for and I would not talk anyone off backing the favourite Knock House. However I am going to take them on with Alternatif who is making his handicap chase debut. At around 7/1 David Pipe's runner has plenty of appeal and should be fit from a recent spin on the flat.

GREYHOUND RACING

A fantastic card tonight at Romford live and free on RPGTV that is Sky channel 212. Look no further than T4 Deanridge Pennys 20.34 (Dog Of The Day), making his UK debut this former Irish star impressed on a recent 400m trial around the Essex venue and can make it a winning UK start tonight over the 575m.

T5 Blue Bees Bolt 20.02, he took the scalp of the highly rated Ballybee Brewery at Wimbledon on Tuesday and I see no reason why he can't follow that up tonight with another victory back at Romford.

T6 Gortkelly Nidge 21.06, really impressed me on his first look at Romford and this Monmore raider can strike gold tonight in the Maiden Final for Chris Allsopp.

T6 Fivestar Clipper 21.24, is absolutely flying at present and arguably in the best form of his life. Take him to maintain this impressive record here in this 575m contest.

LET MICK LIVESEY PUT YOU ON TO A SPORTS BETTING WINNER!

HURRY UP FOR HARRY AT 9/1

MICK ON THE MARK
Your tip-top football pundit strikes again; Oxford and Southend do the business taking me to 11 winning tips from the last 12 selections. I will never forgive Kevin De Bruyne for missing from five yards or it would be 12 from 12!

SPAIN v ENGLAND

★ I'd not normally be jumping up and down with excitement about an international friendly but tonight's match definitely has a different feel to it.

I've got balls like a Bengali tiger and I'm going all out for an England victory at an incredible price.

A lot is made by many pundits insisting we should not get carried away with England's 100% qualification record.

I disagree, you can only beat what is put in front of you, England did it with ease against what may not be the fiercest of opposition in the world but it was however better than many suggest.

Spain was once the dominant force not only in European football but in World football but their grip at the top is over. They may have won the Euros in the last two tournaments but they are there for the taking now.

I look at the top European teams and just who exactly do England have to fear and I come back to the same team every time — Germany. Spain should hold no worries for the Three Lions tonight and Del Bosque's men can be beaten.

England have injury worries most notably with Milner, Walcott, Rooney and Sturridge out but Spain have their own problems with Ramos and Silva missing. Diego Costa is not pulling up any trees in the Premier League this year and it's hard to imagine him giving Smalling and Cahill sleepless nights.

England have one problem to overcome and that's the manager 'boring Roy Hodgson'. If Roy unleashes the Lions to attack England can sink Spain in Alicante tonight. England have a fantastic record against them in 23 encounters they've won 13 games compared to Spain's eight and, although statistics like this mean very little, it certainly offers some encouragement.

England are a massive price at 9/2 and that is good enough for me but if you want something even bigger look at Kane to score and England to win at 9/1.

MY ENGLAND TEAM

★ Here is who I'd select for the Spain game. My formation would be 4:4:2. We have more chance of winning the lottery than Roy picking this team but that is how I'd set it up. What would your team look like? Tweet me @MickLivesey.

Hart, Clyne, Stones, Smalling, Bertrand, Carrick, Shelvey, Sterling, Lallana, Vardy (if fit), Kane.

QATAR v TURKEY

★ The odds compilers have delivered us an early Christmas present tonight by going 3/4 about Turkey. I advise we all dine out on Turkey early this year because they should beat Qatar.

This is a team who have won their last three games beating Iceland 1-0, Czech Rep 2-0 away and Holland 3-0. To score six goals against that level of opponent and not concede is pretty impressive form.

Qatar are developing well and improving all the time but it would be some shock if they defeated Turkey here. It's a big difference playing against China, Maldives and Bhutan because Turkey are very good.

In their last match they had Tore sent off on 77 minutes but came and scored the winner on 89 minutes courtesy of Inan.

Yilman is a player that keeps impressing me every time I see him and with him pulling the strings it's hard to envisage anything other than a Turkey victory.

Get on Turkey at 3/4 or if you want to take a risk at bigger prices look at 24/13 Turkey to win HT and FT.

ACC STANLEY v NEWPORT

★ Stanley are on the rise up League Two and arrive here in fine form. Victories have come against York City, Leyton Orient and Dagenham & Redbridge and they sit fourth.

One of the reasons for this turnaround in form is the goals from Josh Windass.

The son of former player Dean Windass has banged in 9 goals and the midfielder once of Huddersfield Town now 21 is enjoying life at Accrington.

Newport County sit 21st in the league and look to have a right battle on their hands to avoid relegation.

They could not even beat Brackley Town in the FA Cup on Sunday and had to settle for a 2-2 draw.

With Yeovil and Oxford up next you have to start to really worry about them.

John Sheridan looks to have a big job on his hands and I can't see it getting better any time soon for the former Irish international.

Everything points to victory for Accrington Stanley and they are a best priced 5/6 which I think is a cracking price.

f you want something bigger look at Accrington Stanley to win HT and FT at 39/19 or Josh Windass to score at anytime at 8/5.

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

EU've got a lot left to learn Chris

JUNIOR NEEDS TO GROW UP SAYS NICK

BRITISH middleweight champion Nick Blackwell has told Chris Eubank Jr to prove himself as the best at home before conquering the world.

Eubank Jr has bragged that he is the man to topple the world's most feared boxer Gennady Golovkin, comments that enrage Blackwell.

Blackwell said: "Golovkin would toy with Eubank Jr and make him look stupid. I think he'd smash him to pieces within four rounds.

"But, if Golovkin wanted to, he could knock him out in one.

"The Eubanks know what they're doing, though.

"They know that if they make stupid statements about Golovkin, people will at least have an opinion and be talking about them.

Frozen

"They have no intention of ever stepping into a ring with Golovkin, but that won't stop them pretending in order to generate some column inches."

Blackwell would jump at the chance to pick up where Billy Joe Saunders left off and add another defeat to Eubank Jr's record.

The Trowbridge man who was also defeated on points by Saunders believes he is being frozen out of the picture by Eubank Jr, who he used to spar with.

Eubank Jr fights Irishman Spike O'Sullivan on December 12, and Blackwell added: "The only way that fight will ever happen is if Spike pulls out of their date and they offer me the fight on two or three weeks' notice.

"Eubank Jr would never have the guts to fight me with a full eight or 10-week training camp behind me.

"He knows exactly what would happen if I was given that amount of time to prepare. He's been in the ring with me before and he knows he wasn't able to handle me."

Blackwell who has won 18 of his 22 fights risks his British championship in Bristol this weekend when he faces late sub Jack Arnfield.

Blackwell is a big favourite, but a slow started and trainer Gary Lockett has sent him to see a sports shrink to help solve the problem.

He said: "It's something I've always wanted to do. Gary gave me a contact number for a guy in Cardiff, not far from where I stay, and I thought I would try it. I didn't think it would work, but it's actually helping me a lot.

"It helped me after just one session. We'll see how much impact it has on me when I fight, but I'm hopeful. It's been really interesting.

"We're not just talking about boxing. We're talking about everything. He gets right inside my head and explores every aspect of my life and gets me to talk about how I feel about it.

"I've never had anything like that before. It's only going to benefit me. It's not going to make me any worse. I think it will give me a mental edge."

Blackpool's Arnfield has taken the fight at eight days' notice and deserves credit but Blackwell looks likely to triumph after 12 rounds.

MURRAY WINGS IT TO WIGAN

MARTIN MURRAY has moved into enemy territory to prepare for next week's world title challenge.

St Helens rugby league nut Murray faces WBO super-middleweight champion Arthur Abraham in Hanover on November 21.

But to make sure he is in tip top shape he has been training with arch rivals Wigan Warriors ahead of the big night.

"My strength and conditioning coach Mark Bitcon works with the Wigan Warriors so I've been going over there a couple of times a week and to do a session with them," explained Murray.

"The guys know I'm a big St Helens fans so obviously there is a bit of banter, but despite the rivalry, the coaching staff and everybody involved with the club are more than happy to help."

FOREIGN BOSS FOR ENGLAND

RUGBY UNION

ENGLAND could be on the verge of appointing their first ever foreign coach.

But even if the new gaffer is from overseas, the policy of only selecting homebased players WILL continue.

Stuart Lancaster was given the bullet after England's shocking display in the world cup.

The southern hemisphere provided all four semi-finalists and the Red Rose could be looking down under for their next chief.

Most of the leading names to replace Lancaster come from South Africa, New Zealand and Australia.

Jake White, Wayne Smith and Eddie Jones lead the way as England try to rebuild.

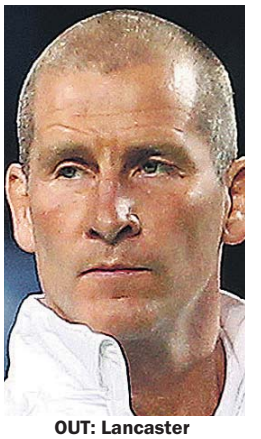
Rugby Football Union chief Ian Ritchie said: "To be clear, this is still a restriction that says players who are playing overseas will not be selected unless in exceptional circumstances.

"That is the current arrangement and agreement.

"I've said before I think it's right, and I do agree with that policy.

"I do not think that was an impediment to the end result of what happened at the World Cup.

"The player situation is related to many things. How do you get access, a whole raft of things that is about partialities and sustain the English game.



OUT: Lancaster

I don't think it is connected to the position of the coach.

"I've not excluded English coaches, I am merely saying we would look at international coaches as well.

"I think that is quite different to players.

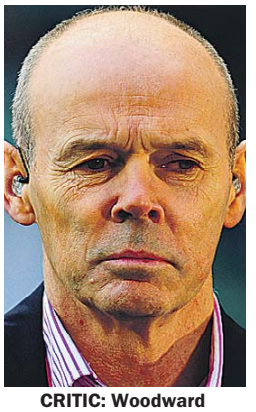
"That is based on practicality of access and maintaining the strength of the English game.

"We want to see English players playing in England."

Sir Clive Woodward thinks the problems with the domestic game start at the very top.

He said: "I would love to know the specifics behind this.

"So we can't pick players who play abroad, but we can employ coaches who come from abroad? How ridiculous."



CRITIC: Woodward

Lions: We'll roar back!

CRICKET

ENGLAND still fancy their chances of winning the one-day series against Pakistan despite being hammered in the first game.

Coach Paul Farbrace (above) believes the Three Lions can bounce back from their opening six-wicket defeat in the best-of-four series.

He said: "We think we have the ability and the players in our team to win this series

"We're not here to develop and learn and go away and say 'well, we didn't win the series, but we're learning'.

"That's not what we want. We want to win and it's really important we do.

"It's about winning the game. What do we have to do, did we learn quickly enough about the surface the other day, did we bowl the right way on that surface, did we play the right shots on that surface?.

"The answer probably would be no. I think we waited a little bit too long to bowl our slower balls and cutters and certainly some of our shots were not ones you want to be seen repeated on Friday, because if they are we'll get the same thing.

"Our chat after the match had finished, which wasn't an inquest, was 'what have we learned, what do we need to do better and how can we make sure we win the next game?'"

WANTED: Lukaku

Romelu is set to be a target for big bucks Frogs

EVERTON face a tense January as two of their star men are wanted by "bigger clubs".

Romelu Lukaku is the prime target for Paris St-Germain when the transfer window opens again.

Toffees gaffer Roberto Martinez says he will resist all bids for his centre-forward from the French side.

He has slapped a £50million price tag on the Belgian – nearly double what Everton paid for him 18 months ago.

And Chelsea are coming back with yet another bid for John Stones.

They chased the centre-back all summer and made no fewer than FOUR bids for the 21-year-old.

The Blues' wish to sign Stones has got stronger thanks to their woeful form this season.

Problems at the back have been at the heart of their struggle, with John Terry looking past it and Branislav Ivanovic playing like a Sunday League defender.

It all adds up to a £40m move for Stones when the window opens again.

Rod flop is a warning

PETER REID says young English players should learn from Jack Rodwell's mistakes.

The midfielder left Everton to sign for a massive pay rise at Man City in 2012.

Since then, the 24-year-old has gone from one of the country's brightest stars to Sunderland reserves.

And Reid thinks that should be a warning to others.

He said: "It's relevant to every young player. Be with a team where you are going to play, it's as simple as that.

"Jack came up through the ranks at Everton and he was a huge talent.

"He backed himself to go to City. But you can't succeed if you're not playing. And that's the problem.

"Now he has gone to Sunderland and he's still not playing. What is that telling you?"

FABREGAS BACKS HIS MANAGER...WELL SORT OF

BACKING: Fabregas probably gets behind boss Mourinho (inset)

No way Jose

MOURINHO IS SAFE FROM SACK, SAYS CESC

CESC FABREGAS says Jose Mourinho is safe at Stamford Bridge — at least he THINKS he is.

By JOHN ANTHONY

The Spaniard has been accused of stirring the shit in the Blues' dressing room — a claim he denies, although he has been dropped from the team.

Now Fabregas has given more backing to his boss, although he didn't sound 100 per cent convincing.

He said: "I don't think Mou will be sacked.

"Obviously the results are not as favourable as we would want, but our level of play is not as bad as the results suggest.

"But I am still confident in this group and this team and I am sure we will be able to improve things.

"I'm certain we will improve. I trust this group."

Despite losing seven times already in the Premier League, it looks as though owner Roman Abramovich is going to give Mourinho the chance to turn things around. That might change if the Blues go out of the Champions League and fail to arrest their league decline after the international break.

The latest rumour sweeping around west London is that the owner is sounding out potential replacements for the Portugeezer.

There was dismay among fans when Brendan Rodgers' name was linked to the job.

He has been seen around the area a lot in recent days, sparking speculation that he might come in as some kind of head coach under a more experienced director of football.

There's no way the home fans would want a Liverpool reject at the helm so the stories of Carlo Ancelotti coming back look a little more credible.

Motivate

The Italian admits he would like a Bridge comeback — but he doesn't expect to be called upon.

He said: "I would have no problem with Chelsea.

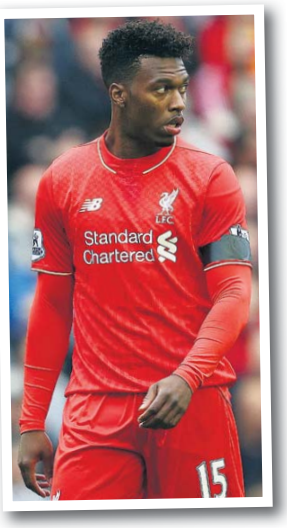
"But Jose won't be sacked. They already chose to keep him and think they made a good choice."

The Italian says he can see problems in the Chelsea camp and knows it could be difficult to turn it around.

He added: "They have lost something and it's difficult to change like a switch. You have to work slowly.

"It's true that a manager has to be able to motivate players but he cannot motivate a player if the player is not self-motivated.

"But Mourinho is one of the best managers in the world, no doubt. He is not so worried. He'll sort it out."



DAN FEELS FIRST STURRINGS

DANIEL STURRIDGE has finally started training again — a month after picking up a "minor" injury.

But Anfield insiders says the striker is still struggling to make the Manchester City clash next weekend.

Sturridge has yet to play under new boss Jurgen Klopp after picking up the "knock" in training.

His knee swelled up along with a hip problem as his latest injury setback has forced him to miss seven games for the Reds.

The striker has been able to train outside for the first time since mid-October and says he's stepping things up. When asked if he would make it back in time to face City, Sturridge said: "Believe in yourself even when others don't."

By ANDY MILLOM

While that would imply that he fancies his chances of making it, the physios at Anfield think something different.

Sturridge (left) is taking part in special sessions this week to test his hip and it is hoped he will be back with the first-team after the internationals.

But Klopp won't rush him back into action and risk another long-term absence.

Injuries have been a real issue for the German since taking over from Brendan Rodgers.

Joe Gomez was making an excellent start to life at the Kop after moving from Charlton in the summer.

The 18-year-old was enjoying a run of games before he picked up a cruciate ligament injury on Under-21 duty with England.

Swollen

He won't play until next season now and has found it a struggle to keep his spirits up.

Gomez said: "When I came back to Liverpool, I knew I wasn't going to be fit for the manager's first game at Tottenham, but I was hoping I'd be back available before too long.

"The physio and the doctor didn't say anything before the scan, but my knee had swollen up and I think they knew straightaway.

"When they got the results, I could tell by the doctor's face that it wasn't good news.

"To be told it was my cruciate was tough to take.

"It was a shock because when I came out after the England game I wasn't on crutches so they thought I was okay.

"I was absolutely devastated when I got the news of how bad it was."

HIS SPORTING ODDS AND ENDS

WHO CAN REIGN IN SPAIN: With Rooney and Vardy out Ross Barkley and Harry Kane (**inset**) will have to lead the line for England

England to keep up unbeaten run

ENGLAND meet with a Spanish side who have qualified for Euro 2016 after a shambles of a World Cup when they failed to make it out of the group stages – ring a bell?

England are likely to face Diego Costa at some stage during the 90 minutes and the Chelsea striker will be looking to improve upon a modest internal record of one goal in nine internationals.

A recent poll in a sports newspaper suggested that the Spanish public do not want Costa near the squad let alone the starting XI for next summer and these are difficult times for the former Atletico player.

The Three Lions will start without Wayne Rooney and it will be fascinating to see how Roy Hodgson's side fare without the skipper.

Spain are 8/11 to win with England 9/2 and the draw 27/10 at BetVictor and I think England will maintain their recent unbeaten run.

GO FOR THE STALEMATE AT 27/10

There are seven Real Madrid or Barcelona men in the Spanish squad and with El Clasico in Madrid next Saturday evening, I wonder if it will subconsciously alter their attitude to the fixture?

England remain 10/1 for Euro 2016 and if they come good against the second (France 7/2) and third favourites (Spain 6/1) then we can once again start dreaming of exorcising what will be 50 years of hurt come next summer.

The recommendation must be England on the double chance (to draw or win) at 21/20

★The Republic of Ireland travel to a hostile Zenica this evening to meet a Bosnia-Herzegovina side who will be looking to put daylight between themselves and Martin O'Neill's side.

The Dragons finished the Group stage on the front foot, but so too did the Irish and it promises to be a cracker of a game.

The hosts are Evens to take a lead back to Dublin with a draw 12/5 and Ireland 18/5.

Strange

I hope I'm wrong but a 2-0 win for the Dragons at 15/2 is the recommendation.

One note for Evertonians, Mo Besic is likely to be back from injury/suspension for the second leg in Dublin.

I shall be watching from behind the sofa when he tackles James McCarthy and Seamus Coleman!

Wales entertain the Netherlands in Cardiff and are likely to struggle for goals against the Dutch given both Aaron Ramsey and Gareth Bale are out.

The loss of the latter is strange given he played 90 minutes for Real Madrid last weekend, but boss Chris Coleman has a good relationship with the Whites who entertain Barca in a week's time.

The Oranje have dropped Robin van Persie (cause he's not the player he once was) and Memphis Depay (cause he's not the player he thinks he is), but I still think they might nick it 1-0 (6/1 at BetVictor) although it is another international where I would be surprised if we saw many goals.

The Netherlands are Even money favourites with the draw 12/5 and the hosts 16/5.

POOPED AL IS SET FOR A TIME OUT

ALEXIS SANCHEZ will be given a mid-season rest as Arsene Wenger fears his star striker is KNACKERED!

The Chile international has just jetted across the world again to play for his country in another round of qualifiers.

He's such a star at home that he carries a nation's expectations on his shoulders and Wenger is concerned that will burn him out long before May.

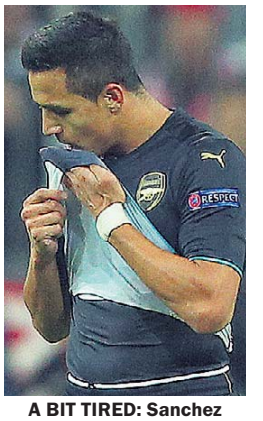
So he is likely to have a couple of weeks off when he comes back to get ready for the busy Christmas period.

Wenger said: "You can see he is jaded physically. He still pushes himself too much and finishes exhausted."

There is some evidence in what Wenger says as Sanchez has struggled in recent matches.

He hasn't scored for five games and has already clocked up 19 appearances despite missing some of the campaign with injury.

And there isn't much help coming from Chile, where the national coach says Sanchez is his star man and must play in every game.



A BIT TIRED: Sanchez

Energy

Jorge Sampaoli wants to build on his team's unexpected Copa America win and isn't thinking of the long-term effects on his striker.

He said: "If Alexis does what he knows how to do on the pitch we have many chances to win.

"From what I saw Alexis looked very well, in an incredible moment.

"I am excited to see if he can translate that energy because if Alexis does what he knows how to do on the pitch, we will have many possibilities to win."

Wenger's problem is that he doesn't have a lot of other options in attack.

Theo Walcott was finally getting a chance through the middle but he's on the sidelines with an injury.

Alex Oxlade-Chamberlain has also been out crocked but he should be back just after the internationals.

But he doesn't have the same goal threat as in-form Sanchez.

Danny Welbeck is still a way off being fit and Olivier Giroud can be very much hit and miss.

Wenger has another issue after making claims that doping is widespread in football as well as athletics.

The Frenchman has been asked by the FA to explain his remarks to his home media.

He said: "I have never injected my players to make them better.

"I've played against many teams that weren't in that frame of mind."

Nigel can Fulfill what fans Crave

FULHAM fans are aiming high as they make their views clear on who should take over at Craven Cottage.

Former bosses of Manchester United and Liverpool head their list — with the supporters maybe forgetting the club are struggling in the Championship these days.

Brendan Rodgers just edged out David Moyes in a poll of supporters after Kit Symons was sacked.

It is hard to see either of those two dropping down a division just yet, although the Scot has just been sacked in Spain so his stock might have fallen again.

A more credible choice is the man who came third in the poll — Nigel Pearson.

He led Leicester out of the Championship before keeping them in the top flight with a miracle escape last season. He fell out with the club's bosses but was popular with the fans.

Fulham legend Tony Gale thinks the former Foxes gaffer (left) would do a good job.

He said: "Nigel Pearson has the track record of taking Leicester up and he is available at the moment.

"But I have to say that my choice of the bosses mentioned would be Alan Curbishley."

ROB'S KEANE TO SHINE

We should be there says No9

ROBBIE KEANE says Ireland have more than enough quality to make the Euro finals — and shouldn't be in the play-offs in the first place.

The striker just wishes his team could be more consistent so they could already have booked their place in France. The veteran is being a little harsh on his mates — after all, they were in a mega-tough group with Germany and Poland.

So they did well to beat Scotland to third spot and set-up their showdown with Bosnia and Herzegovina.

But given the way the Boys In Green managed to take four points from world champions Germany, maybe Keano has a point.

He said: "I wish we could be more consistent.

"If that was the case, we'd be first or second. We wouldn't be in this situation where we're in the play-offs.

"But one thing I can tell you is that our players are going to fight for every second. They won't give Bosnia a chance.

"I think this is where you'll see the mentality of the Irish players growing up on the streets – tough and ready to play and ready to go to battle.

"If we see that in the first leg and Monday, I think we have a very good chance of qualifying.

"It's important that we try to keep a clean sheet and then we have players that can score goals.

"There's always pressure. But this is good pressure. We're in a good situation.

"A situation that maybe three or four games ago people probably didn't expect us to be in.

"We're here now and we're quite capable of beating Bosnia and qualifying. There's no question about that. I'm fairly confident we can get something from these games."

Keane is 35 now and boss Martin O'Neill prefers to use him as a substitute these days.

But the old boy might have to lead the line from the start as Ireland are struggling with injuries.

Shane Long is out for the game in Bosnia so O'Neill has just Keane, Kevin Doyle and Daryl Murphy to choose from up front.

Southampton striker Long is having intensive treatment at home and could be called on for the second leg in Dublin.

Keane is adamant that he's ready to play from the start. He said: "If I'm called upon anywhere, you want to play.

"Of course every player wants to play. I haven't played for this long at a high level to be happy not to play. The team is more important than any individual and if I play, I'll be more than ready."

REACTION: Coleman

Coleman hopes Ars rant won't Drag-on

Wales v Netherlands

Friday, 7.45, live on BBC2 Wales

CHRIS COLEMAN hopes his club versus country row with Arsene Wenger doesn't take the shine off his Wales side.

The Arsenal boss had one of his more bizarre rants against the Welsh gaffer, blaming him for Aaron Ramsey's injury — even though it happened weeks after playing for the Dragons.

Coleman hit back at the whingeing Frenchman and hopes that is the end of the matter.

He said: "I reacted to what was said but that's done now, that is finished.

"The amount of time I fall out with my staff and players, if that was a problem I probably wouldn't have many friends left!"

Coleman was backed up by England manager Roy Hodgson and realises that he has a lot to learn from the Three Lions gaffer.

He added: "Roy is a lot more experienced than I am but football being football you all have a lot of different opinions.

"I think Roy sees it and understands the demand of it and I think there is a fine line for international managers in how we approach them.

Egg

"If you approach them as if they don't matter, the performance or result, you end up with egg on your face.

"You have to go into it fully committed."

Coleman is expecting a big challenge against a Dutch side who sensationally failed to make the Euro finals.

He said: "I think people use the word friendly but I'm not sure they exist.

"We are up against good opposition, they are almost rebuilding, but they will be a wounded animal so it is going to be tough.

"It is a game we are going into trying to perform how we can."

And he's backing his players to cope without crocks Ramsey and Gareth Bale.

He added: "The actual strength of the group is not just we have got two world-class players, the strength is the togetherness.

"Going forward, players coming in will have to step up and they have done that."

LAFF LOOKS FOR A NEW GAFF

KYLE LAFFERTY admits that he must leave Norwich to ensure he's on top form in Euro 2016.

The striker has been a sensation in a green shirt, banging in seven goals through the qualifying campaign.

But he's had just two subs appearances for the Canaries despite their struggles in the Premier League this season.

The 27-year-old knows he needs some first-team action before Northern Ireland's first finals appearance since 1986.

He said: "I'm going to have to sit down with the manager in January and have a discussion with him.

"I know that I will need to play football in the New Year and going into the Euros.

"I'd love to be playing at Norwich, but if I have to go out on loan or be sold to play football that might be the way it will be.

"For the Euros I want to be in the best shape of my life and I need to be playing to do that."

Tonight's friendly against Latvia at Windsor Park is a rare change for Lafferty to play 90 minutes.

And he wants to make the most of it adding: "I want to carry on scoring.

"We have a few friendly games now and then the Euros and I reckon I have a two or three more campaigns left in me so I will try to score as many goals as I can.

Northern Ireland v Latvia

Friday, 7.45pm, live on BBC2 N Ireland

Momentum

"I want to keep on scoring for my country. I don't know if I will get anywhere near David Healy and his 36 goals."

Boss Michael O'Neill hopes his players can maintain their form now qualification is in the bag.

He said: "It is important to keep building momentum ahead of the finals and friendlies are important because it gives you the chance to take a look at the squad.

"We were able to do that with the likes of Stuart Dallas in the game against Scotland, for example.

"We won't have too many opportunities to get the squad together before next summer's finals, so we have to make the most of these games.

"It is vital preparation and Friday is a game where we want to try and get something out of it for the whole squad.

"But we won't be handing out caps just for the sake of it. Players still have to earn their place."

INTERNATIONAL FRIENDLY:

STRIKER

England short in attack as

VARD LUCK: England's record goalscorer Rooney and top Premier League net buster Vardy (**inset**) will both be unavailable in Alicante for boss Roy Hodgson (**above**)

ENGLAND are facing a striker crisis for their big test against Spain.

By MARK NAYLOR

Wayne Rooney is definitely out — and in-form Jamie Vardy looks set to join him on the sidelines.

Three Lions gaffer Roy Hodgson is left with just ONE fit striker then in Harry Kane.

It means Gary Cahill will captain the side, with Rooney hopefully back to take on France next week.

Hodgson said: "Sadly we do not have a clean bill of health. Vardy is struggling with an injury he picked up on Saturday for Leicester.

"We are working on it and will continue to do so, but he is unlikely to play against Spain."

But the gaffer is still looking forward to taking on the reigning European champions.

He has faith in players like Kane to deliver and it also gives a chance for some of the fringe players to stake their claim to be in the squad for France next summer.

He added: "We have a very strong group of players here, I hope Jamie recovers and he can play in the second game against France.

Combinations

"There are a lot of players who have performed well since the start of the season and have created serious competition for places.

"The Euros are a long way away, the matches in March will be more akin to the type of feeling we will experience in France, those games will help me select the squad looking ahead to next summer.

"We will make changes over the two games coming up.

"Wayne is the captain in our team.

"But he won't start the game against Spain.

"We are keen not to fool people, even though he is sat alongside me today.

"That is down to looking at

different combinations and he will start the game against France.

"We are going to use the two games to look at combinations of players playing together.

"It will be good to see how various combinations are developing."

Rooney agrees with his manager that it's a blow to lose Vardy while he's in such excellent form.

The Leicester man has scored in his past nine Premier League games.

Roo said: "He has been incredible this season. It is a shame he has picked up the injury because it is a big chance for him to prove himself on an international level."

Preparations

Rooney also knows that the games against France and Spain will probably be a bigger test than the qualifiers that England cruised through with a 100 per cent win record.

He added: "It is a tough game for us against Spain but one we are looking forward to. We know we have the quality in our squad to give them a good game. Hopefully we can get a good result.

"It is important in these games that the manager has the chance to see as many players as he can before the tournament."

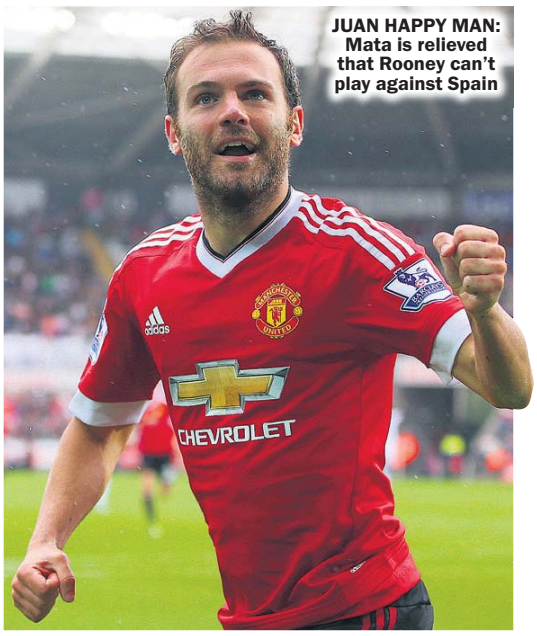
And Rooney maintains that the players will take their preparation for next summer's Euro finals more seriously than they have in the past.

The skipper himself has been one of the worst offenders on that score, taking holidays before big tournaments and having family members around when he should be concentrating on his football.

But time is running out for him to taste victory in a Three Lions shirt — and he seems to be taking things a bit more seriously now.

He said: "I think we've all been here before, before major tournaments. We have a good, exciting squad, but it is still young and we need to improve if we are to compete.

"We are trying to do this in training and these games."



JUAN HAPPY MAN: Mata is relieved that Rooney can't play against Spain

Mata: Wayne's pain can be Spain's gain

JUAN MATA says Spain are delighted that Wayne Rooney will miss tonight's clash with England.

The forward says the Man United striker is still one of the best players on the planet.

He thinks it's ridiculous that there is constant talk in England that the skipper should stand aside and let Jamie Vardy and Harry Kane lead the Three Lions' line.

For Mata, there is still massive respect for Roo's talents.

The Spaniard said: "When we speak about Wayne we're speaking about the captain of England and my team Manchester United. He's a very important player.

"He's scored more goals than anyone in the English national team and at United.

"I know he can play in different positions. At the end it's Hodgson or Van Gaal who decides, but obviously if he's close to the box he will score more.

"I feel very proud to play alongside him in my team and it would have been very difficult to face him."

Mata thinks it will be a tough test against the Three Lions that has marched through Euro 2016 qualifying without dropping a single point.

Confidence

The United man says confidence is massive among the England camp.

And that makes them a tough opponent even in a mid-season friendly.

Mata added: "This team of England has a great squad and above all confidence.

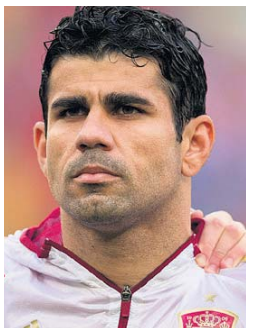
"I speak with Wayne day to day in Manchester and I see him very happy with the youth, ambition and capacity they have to win something.

"It's a great test for us because I consider them a big rival to win the Euros."

Spain have some problems of their own in attack, with boss Vicente Del Bosque singling out Diego Costa for some stick.

The Chelsea striker has been a shadow of his former self this season.

His national coach thinks that is because he is more bothered about fighting and moaning rather than putting the ball in the back of the net.



MOANING: Costa

Del Bosque has called on Costa to tone down the bad stuff while still keeping his spirit.

He said: "We all know Costa's character anyway.

"Maybe he should smooth out his character a little bit and change some aspects of his behaviour, but we don't want to change him.

"We knew what Diego Costa was like when we brought him over and we believe in him.

"I wouldn't say he's obliged to come here or we're obliged to pick him.

"We bring him over as he's a very useful player for us.

"We don't bring him here because we owe him or because of a previous agreement. It's a question of confidence."

SENSATIONAL £50M BID FOR BAYERN STRIKER

KLOPP TO KOP LEW!

Star fancies reunion with former boss

STAR SIGNING: Klopp (inset) has the dosh to bring his former player Robert Lewandowski to Anfield this summer

By JOHN ANTHONY

JURGEN Klopp has been given the green light to sign Robert Lewandowski for Liverpool.

The Kop's American owners are prepared to back their new boss with enough cash to pull off the mega-signing from Bayern Munich.

And the striker himself would LOVE to work with Klopp again after he made him a star at Borussia Dortmund.

The gaffer came to Anfield because he was promised enough cash to make Liverpool a force in Europe again.

With Daniel Sturridge having a season ticket to the local casualty, he needs a star striker to supply the goals.

Respect

And Lewandowski's agent is not trying to hide Liverpool's interest in his client.

Maik Barthel admits that the Reds are sniffing about the 27-year-old.

He said: "It would be wrong to say there is no interest.

"But all of us should respect that Robert has a contract at FC Bayern."

Although transfer fees in Germany are generally lower than the Premier League, it would take a bid of at least £50million to seal the deal.

That would be seen as money well spent by Klopp who will be offloading plenty of dead wood at the end of the season.
